William Trevor Suzanne Morrow Paulson,1993 Intensely poetic understated and ironic William Trevor s fiction contains the very hallmarks of the modern short story following a long tradition of Irish and British literature about the often painful and grueling route people travel in the simple effort to integrate themselves into society In his many poignant stories among them Mulvihill s Memorial The Mark 2 Wife The Day We Got Drunk on Cake Lovers of Their Time and The Ballroom of Romance Trevor reveals his mastery of tragic comedy whereby human interaction at even the most parochial level lends to an understanding of the universal In this first book length study of Trevor s stories Suzanne Morrow Paulson provides a comprehensive overview of this Anglo Irish writer s craft examining his masterpieces of the form his proficiency with the comic as well as the tragic Trevor writes a personal sort of fiction Paulson observes rendering the grotesque aspects of human nature under stress yet he transcends the personal because his art encourages sympathy for even the most ridiculous figures Refuting critics who find his work dour and pessimistic Paulson finds that most of Trevor s stories convey a genuine optimism and a love of people a love based on a profound understanding of suffering a sympathetic acceptance of human weakness and shrewd insights into social hierarchies Paulson finds Trevor at his best in stories that express his sympathy for women sensitive men and adolescents who suffer from destructive stereotypes of feminine and masculine behavior Paulson assigns the fiction discussed to four thematic groups stories that explore the psychology of coping or failing to cope with trauma stories about fathers and mothers who cannot understand themselves or their adolescent children stories depicting

the suffering of adolescent girls spinsters wives and mothers as they conform to destructive stereotypes governing proper female behavior and stories concerned with materialistic values promoted by advertising and the mass media In Parts 2 and 3 of this clear concise introduction to the Trevor short fiction canon Paulson has compiled first Trevor s comments on his art his reader and his community including an original 1989 interview with the author and second a survey of responses to Trevor s work and a brief gathering of articles and reviews published in Ireland England France Canada and America
