The Childrens God

**Robert DUNNING (and HASSELL
(Joseph))**

The Children's God:

God the Child Graham Adams, 2024-04-30 We express the mystery of God with diverse metaphors but mostly in Adult terms In this experimental theological adventure Graham Adams imagines what might flow from a more thorough being of God Aware that the Child can be idealized he selects particular characteristics of childness in order to disrupt God's omnipresence omnipotence and omniscience The smallness of the Child re-envisages divine location in sites of smallness like an open palm receiving the experiences of the overlooked The weakness of the Child reimagines divine agency as chaos event subverting prevailing patterns of power and evoking relationships of mutuality And the curiosity of the Child reconceives divine encounter as horizon seeker imaginatively and empathetically pursuing the unknown These possibilities are brought into dialogue both with other theologies Black disabled and queer and with pastoral loss economic ecological injustice and theological education Through these conversations God the Child emerges not only as a new model for God but intrinsic to God's new social reality which is close at hand As a Child: God's Call to Littleness Phil Steer, 2012-04-22 Beautifully written and produced Packed full of thought provoking truths A good devotional read or for anyone with a busy schedule Part serialised in *Quiet Spaces* the prayer and spirituality journal from BRF Jesus said I tell you the truth unless you change and become like little children These are radical words potentially life changing words Yet how many of us truly believe that we need to become like little children What might be the implications for our life and faith *As a Child* is an exploration of this call to childlikeness this call to littleness a call made not to children but to adults not to those who are naturally childlike but to those who have grown out of their childlike nature It is a book for all who desire to grow in their faith to enter into all that God has for us to live the life God wants us to live and to be the people God wants us to be For all are willing to respond to Jesus call and become like a little child *The Children's missionary newspaper [sometimes entitled The Children's monthly missionary newspaper]* ed. by C.H. Bateman, **The Children's Praise Book** William Reid, 1872 **The Children's missionary newspaper [sometimes entitled The Children's monthly missionary newspaper]** ed. by C.H. Bateman Christian Henry Bateman, *The Children's Church* Richard Heber Newton, 1872 The Children's God David Heller, 1988-12-15 How do children imagine God Surprisingly few researchers have asked this question In crayon drawings doll play letters and carefully designed interviews the forty children in David Heller's study reveal a rich array of spiritual imagery Though Heller does find some differing views attributable to age gender and religious background the children were Jewish Catholic Protestant and Hindu he discovers to a surprising degree a common vision of God that cuts across ethnic and religious differences He also considers related issues of school prayer and the psychology of religion The Child's companion, 1885 The Children's Book Augusta Joyce Crocheron, 1890 **The Open Court** Paul Carus, 1898 **The Child and the Book: a Manual of Method, for Sunday School Teachers and Other Religious Instructors. ...
