The Chinese Poems Letters To A Distant Friend:

The Chinese Poems Dan Gerber,1978 *Particles: New and Selected Poems* Dan Gerber,2018-05-01 Gerber has a gentle touch and an unaffected articulate voice that can be smart funny wise sometimes all at the same time Library Journal Gerber is one of the most adept and accessible of the poets who explore the meaning of humans relation with earth and existence itself ForeWord Into a frenzied world that hurtles ever faster somewhere Dan Gerber s poetry offers a necessary and reflective presence Drawing upon eight previous collections and including a book length selection of new poems this retrospective tunes its senses to the natural world and a provenance that includes the influence of Buddhism English Romanticism and a deep reading of Rainer Maria Rilke s oeuvre Pastoral and expansive Gerber s poetry is concerned with the universe just outside each of our windows the immediately viewable landscape in front of us and the mysterious vastness beyond From Dark Matter The visible drapes itself around the invisible the way my jacket takes its shape from my shoulders An unseen gravity whirls near the center of our galaxy an unseen heart near the center of the bodies in which we desire I seldom think of Neptune out there way beyond my pointing to it on a summer night Dan Gerber is the author of eight collections of poetry three novels a book of short stories and two books of nonfiction A former professional race car driver he has traveled extensively as a journalist particularly in Africa He lives in Santa Ynez California *Beneath a Single Moon* Kent Johnson,Craig Paulenich,2001-05-01 Beneath a Single Moon is an extraordinary collection of the work of forty five contemporary American poets with over 250 poems and thirty essays on the influence of spiritual practice on the practice of poetry Included are works by John Cage Diane di Prima Allen Ginsberg Jane Hirshfield Andrew Schelling Gary Snyder Anne Waldman and others **The Buckley-Little Catalogue of Books Available from Authors** ,1985 Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley,2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature

importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

Green River Review ,1979 *A Poetics of Courtly Male Friendship in Heian Japan* Paul Gordon Schalow,2006-12-31
Western scholars have tended to read Heian literature through the prism of female experience stressing the imbalance of power in courtship and looking for evidence that women hoped to move beyond the constraints of marriage politics Paul Schalow s original and challenging work inherits these concerns about the transcendence of love and carries them into a new realm of inquiry the suffering of noblemen and the literary record of their hopes for transcendence through friendship He traces this recurring theme which he labels courtly male friendship in five important literary works ranging from the tenth century Tale of Ise to the early eleventh century Tale of Genji Whether authored by men or women the depictions of male friendship addressed in this work convey the differing perspectives of male and female authors profoundly shaped by their gender roles in the court aristocracy Schalow s analysis clarifies in particular how Heian literature articulates the nobleman s wish to be known and appreciated fully by another man **Poetry** Harriet Monroe,1978 *A Last Bridge Home* Dan Gerber,1992 **Midamerica** ,1980 **A Modern Poetics of Biography** Zhengrun Yang,2025-09-02 This book provides a comprehensive study of biography to summarize the standard forms as well as a range of peripheral and expanded forms of auto biography Discussion and analyses to be done at three levels namely ontology typology and writing It is drawn from local and international theories in biography in addition to related disciplines in particular for those of the twentieth century and summarizing the experiences of the writing of classics in both Chinese and Western biographical history the study establishes a theoretical system of biography This book can serve as a useful reference for postgraduate students and professional readers who are interested in biographical research *Bibliography of Asian Studies* ,1981 **Michigan Authors** ,1993 **The Buckley-Little Catalogue** ,1986 The Iron Mountain Review ,1993 Celebration of Continuity Peter H. Lee,1979 **The Literary World** ,1885 *Subject Catalog* Library of Congress,1977 **The Heathen Woman's Friend** ,1876 **The Friend** ,1891
