The Christian Dilemma Forgiven Or Unforgiven:

The Christian Dilemma Charles Selby, 1996-06-01 Whatever the problem that causes readers to live in fear of not being forgiven of a sin and therefore not go to heaven God has the answer Those answers are shared in this book *The Problem of Christianity* Josiah Royce, 2001 Josiah Royce's late masterpiece *The Problem of Christianity* is based on a series of lectures he delivered at Manchester College Oxford in 1913 It presents his philosophical interpretation of Christianity's fundamental ideas community sin atonement and saving grace shows their relevance to the current confluence of world religions and grounds his position upon a personal transformation into genuine loyalty toward the community of the entire human family *The Problem* opens up a mine of surprising treasures while its prophetic voice speaks to contemporary issues and current movements in ecumenics and inter religious dialogue Frank M Oppenheim's new introduction highlights its relevance to some of the pressing problems of the new century A notable contribution to the interpretation of Christian ideas *The Nation* Royce has contributed largely to the treasures of religious thought New York Times *The Shadow and the Problem of Evil* Murray Stein, 2023-11-10 *The Shadow And The Problem Of Evil Five Examinations* is a captivating and thought provoking journey into the hidden recesses of the human psyche Through a Jungian perspective it offers insights into the nature of evil the symbols that represent our shadows and the profound impact of these hidden aspects on society and our ethical choices It's a must read for those seeking a deeper understanding of the human condition and the challenges we face in the modern world Murray Stein's opening chapter *The Shadow and the Problem of Evil* explores the fundamental question of the shadow's connection to evil and Mary Tomlinson introduces the intricate ways the shadow manifests symbolically in our psyche in *Symbols of Shadow and Evil* *The Atom Bomb and the Collective Confrontation with Evil* examines how collective experiences like the atomic bomb force society to confront the shadow on a grand scale *Paranoia The Madness That Makes History* uncovers how paranoia shapes historical events In *The Shadow and the Search for a New Ethic* Henry Abramovitch and Stein ponder the ethical implications of recognizing and integrating the shadow into our lives Brigitte Egger's final chapter *Human Shadow Revealed by the Ecological Crisis* explores how the ecological crisis serves as a mirror reflecting our collective shadow and calling for a profound reevaluation of our relationship with the environment *The 'Ism' Dilemma* George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years We do have a non denominational church home and we study The Holy Bible together regularly at home We have a blended family with 3 adult children and 2 grandchildren I have worked for 20 years in electric operations and transportation I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics The book is primarily about relationship issues that result from illegitimate people groupings in modern day society The book has an overwhelming focus on the spiritual impact on people when pride based problems are not properly addressed with a biblical relationship with Jesus Christ I have personally struggled with many of the people grouping issues discussed in this book pride has been one such stumbling block

for me Creating this book has in part been a personal journey for me helping me to heal some of the wounds inflicted upon me by others as well as heal wounds I've caused others It is my sincere hope and prayer that your journey through this book will heal you and your loved ones as it has done for me and my family With God's help Christians and Non Christians alike can all benefit from the experiences tools and methods in this book by improving themselves spiritually and by improving the quality of their relationships with others

A Forgiving God in an Unforgiving World Ron Lee Davis, 1984 A Forgiving God in an Unforgiving World is a fascinating study of a God who faithfully and steadfastly forgives us while we struggle through life's hurts and disappointments unable to forgive ourselves and others As we wrestle with the pain and defeat of unforgiveness we continually ask How can I forgive someone who has hurt me How can I forgive those who try to block my growth and fulfillment How can I forgive myself when I am my biggest disappointment How can I forgive God for what He has and hasn't done in my life In this honest and searching look at forgiveness Ron Lee Davis draws from God's Word and from dramatic true life stories to help us understand how God's forgiveness works and how healthy and loving relationships can be a consistent part of our lives when we learn to forgive God's way back cover

The Problem of Christianity: The Christian doctrine of life Josiah Royce, 1913

Flirting with Universalism, 2nd Edition Dennis Jensen, 2024-07-16 It's likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin's early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled
