The letters presented in *The Heart of a Soldier* introduce the reader to a decorated yet humble American soldier in World War II Sergeant George Donald served with the Sixth Armored Division of General Patton's Third Army as it fought its way from the hedgerows of the Normandy bridgehead to Hitler's lair in the Alps of southern Germany. He was awarded the Silver Star for his leadership and bravery and a Purple Heart for wounds received during a German attack. Later he received the Bronze Star for his heroic actions and leadership during the Battle of the Bulge. Over 75 years ago he shared what training and combat experiences Army censors would permit him to share in more than four years of almost daily letters he sent to the author's mother, the woman he would someday marry. While these letters represent the heart and soul of this book, it is supplemented with research by Sgt Donald's daughter into the context of his experiences in training and combat, including synopses of the war itself and the daily challenges faced by the Super Sixth. While reading this book, veterans and their families, descendants of The Greatest Generation, and those with an interest in military history and history as a whole can revisit and perhaps better understand the struggles people endured during World War II and the lasting love of family that helped soldiers survive.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books
