Good Folks Good Country:

Why Good People Do Bad Things Gerard Vanderhaar,2013-08-09 Why Good People Do Bad Things sheds new light on the ethical dilemmas of modern life It shows how people of good will who are generally thoughtful caring and reasonably well balanced can unwittingly contribute to the evils present in our social systems In exposing these situations this book also offers the hope that these same good people can take a fresh look at the world around them In doing so they can then see the potential of our world as well as its defects and determine to be part of the solution rather than part of the problem

Return to Ithaca Randy Lee Eickhoff,2007-04-01 At the height of the Vietnam War twenty seven members of a U S special elite team were dropped into North Vietnam to fight alongside the Rands and Montagnards against the communist regime Their job was to ambush troops along the Ho Chi Minh Trail one of the most dangerous of the war Of the twenty seven men who went in only three made it back One of them is Henry Morgan a modern day Odysseus struggling to find a way of returning from the Vietnam War Now living in a monastery he has turned his back on the world that turned its back on him But times change and there is a need for a man like Morgan again A man who has made his voyage An Odysseus who can bring order to a chaotic world At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
