## Talking With God:

**199 Treasures of Wisdom on Talking with God** Barbour Publishing, 2007-01-01 Widely recognized as one of Christendom's foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray's writings relating to communion with God explaining the what when why and how of prayer Talking about God Stephen Saccone, Cheri Saccone, 2018-01-02 And if someone asks about your hope as a believer always be ready to explain it But do this in a gentle and respectful way 1 Peter 3:15-16 NLT Talking About God demonstrates that spiritual conversations have the potential to profoundly impact someone's faith journey when we simply engage people with honesty and respect For people who are intimidated or fatigued by the idea of talking about matters of faith Talking about God offers story after gripping story about conversations that avoid offering platitudes and unnecessary divisiveness and instead draw people organically and relationally toward the Good News of Jesus Christ Discover refreshing portraits of natural authentic God directed dialogues that protect the dignity of the people we love and lead them into life changing conversations *Talking to God* Wayne R. Spear, 2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God *Talking to God* Thomas L. Constable, 2005-01-13 Why a theology of prayer Because counterfeit prayer abounds we need Scripture's guidance writes Thomas Constable Praying as God desires requires considering what God has revealed about it As we give prayer our careful attention we gain greater understanding of what he intends it to be Constable details the different forms of communication God invites us to use He identifies the counterfeits that pass for prayer discusses the conditional nature of prayer and explains why some prayers seem to go unanswered **Prayer** Esther A. Adekunle, Julius O. Adekunle, 2006-05-12 **The One Year Hearing His Voice Devotional** Chris Tiegreen, 2014-09-01 This year learn to listen for the voice of the One who loves you most We know for sure that God speaks to His people Throughout the pages of Scripture He guides instructs corrects inspires encourages and reveals Inspired writers even call Him the Word He has always been vocal and He always will be But what does He say to you How does He say it How can you know when you've heard Him The One Year Hearing His Voice Devotional written by acclaimed author Chris Tiegreen will help you discover patterns and practices you can adopt to hear God better Listening to God is a process a journey and an adventure He promises that those who seek Him will be rewarded with His presence and His voice And the words of the living God are powerful and life changing **Conversations** Robert L. Wagner, 2014-08-14 When we don't communicate in relationships they oftentimes lose the passion and intimacy they once had This is true in natural relationships It's also true in our spiritual ones Author Robert L. Wagner provides an enlightening and brief survey concerning prayer complete with biblical examples prayer starters to assist in your daily conversation time and devotionals to spark your reflection and maturity with the Father As Wagner states in his introduction Because it shows

His desire to be involved in the affairs of His children the biblical teaching of prayer emphasizes the character of God Prayer also presupposes a belief in the personality of God His ability and willingness to hold conversation with us His sovereignty over everything and concern with the affairs of His creation If you desire further understanding concerning the vehicle by which we communicate to God then the daily guides contained in this book will help you initiate the conversation that God has longed to have with you Likewise if you are looking for the keys to a more powerful and successful prayer life then this book is ideal

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks

*Holy Conversation* Richard Peace, 2006-05-22 Richard Peace teaches you how to engage in easy and comfortable conversation about the good news of Jesus Explaining the gospel in plain language and offering practical suggestions for sharing your faith with friends neighbors and colleagues he provides twelve study and discussion sessions perfect for small groups to work through and try out together

**God Is Talking to You** Victor Hill, 2019-11-13 God said God speaks The Lord said A voice from heaven answered From Genesis to Revelation God communicated with His people and He has never stopped God is still speaking today desiring to share His thoughts His wants and His will Years ago people owned transistor radios that required adjusting the needle until it hit the right frequency so they could listen to a program without staticky feedback The cares of this world and our old nature are like that feedback dulling our ears and our eyes But the more time we spend intimately praying and fellowshiping with God the stronger our connection will be to His voice Our hearts and ears will hit the right frequency and we will become tuned to God because we all possess within us the ability to hear Him To hear His voice In God is Talking to You Apostle Victor L Hill desires to help believers pierce through the mysteries that surround hearing God's voice while challenging the concept that hearing God is

based on a person's age growth or spiritual development. Apostle Hill dispels the belief of God being a distant inaccessible benefactor rather than a benevolent loving Father who longs to spend time communicating with His children whether they have just received the gift of salvation and have started their Christian walk or if they've been on the road for decades. One of the difficulties believers face is embracing the realities of God speaking to us along with fully grasping His yearning to communicate with us. Apostle Hill also expounds upon the relationship between God's voice, effective prayer, and faith, as well as how reverence and submission open the believer's heart, mind, and ears. He delves into the role of the Holy Spirit within us who solidifies our place, position, and even authority in God. *God is Talking to You* is a teaching and anecdotal guide to a more intimate and spiritual connection to our Creator. In this season, know that as we learn how to hear God's voice, the more impact we will make in the earth. *A Little Talk With God* Jackie Caldwell, 2020-07-08

*A Little Talk with God* is about taking some Psalms out of the Bible and applying them to your life. You can pray certain Psalms at night to God and praise him. I picked out some that could be applied to your life. When you pray at night, take some of these Psalms and use them for your daily life. Praise the Lord for he is good. I have had some experiences with God, and I included them in this book. Sing to God certain Psalms out of the Bible for any situation you are in and use this book at night when you pray and feel like praying for your enemies. I even used some of these Psalms in my life, and that's when I had experiences. *Hearing God* Peter Lord, 2011-02-01. Christians often struggle with prayer because it has become a one-way conversation with the ceiling. It doesn't have to be this way. In this revised and updated edition of the classic bestseller, Peter Lord offers an easy-to-follow step-by-step guide to developing a rich prayer life, moving believers from one-way communication to God to two-way communication with God. He answers such questions as: Can I hear God's voice today? How can I discern the difference between God's voice and Satan's voice? How can I find God's will and direction for my life? and many more. God still speaks today, and when believers pursue a dynamic personal relationship with him, they will learn to recognize and cherish his voice.

**Black Women and Breast Cancer** Elizabeth A. Williams, 2018-11-16. Christian theology at its core is a story about someone being in trouble. In response to this trouble, the triune God intervenes. God identifies with those in trouble, walking with them through the experience. Yet the God of Christian theology goes a step further: God prevails over trouble. God is an overcomer. Black women with breast cancer identify with this God. They also see themselves in this theological narrative. They see themselves in the midst of troubles: troubles like racism, poverty, and environmental exposures that create the disease affecting their bodies. They see the troubles of breast cancer: their biological disposition towards more aggressive cancers, later stage diagnoses, poorer prognoses, diminished quality of care, and worse outcomes. Black women also palpably feel the troubles breast cancer brings: like fear, physical disfigurement, social isolation, being stereotyped for treatment decisions, abandonment, and even death. Black women feel the myriad troubles breast cancer brings. But Black women also know God in their troubles. They know an active God who identifies with and prioritizes their needs. They know this God through scripture.

and experience as God who puts them front and center And because they know God as an overcomer and creative force they know themselves as overcomers For with God their troubles do not last always Black women with breast cancer construct a cultural theology of breast cancer out of knowing God Borne out of experiences of the Black Church womanist theology and their intersectional identities of race class and gender this theological investigation informed by anthropology examines how Black women construct an ontology of who God is and how God operates and gain a God consciousness that shapes their response to the disease Using pain faith and testimony as tools to struggle against breast cancer Black survivors theology transforms them from victims of breast cancer to change agents Out of their lives as survivors comes a theology of complex hope one cognizant of Black women s breast cancer disparities yet oriented towards Black women s achievement of health in the present and the future a sufficient hope to sustain Black women through it all

You Can Hear the Voice of God Steve Sampson,2015-03-17 When you talk to God do you ever feel as if you are not getting through You re not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it s truly God talking and not my own thoughts But here s the good news Hearing God is simpler than you think It s possible to have a relationship with God that involves both speaking and listening In fact it s God s desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you d hear God s voice but expecting to hear it Sampson s uncomplicated practical perspective will help you cultivate the two way conversation with God you ve always longed for Before long you ll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don t settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God s still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida

**Talking with God** Adam Weber,2018-02-27 Prayer seems like it should be so simple Yet when it comes to actually praying so often it feels awkward and complicated The truth is prayer is simple It s like talking Talking with a good friend Down to earth pastor Adam Weber offers an accessible hopeful approach to one of life s greatest mysteries talking with God Now with a brand new bonus chapter and in paperback This is a book on prayer for the person who longs to connect with God but doesn t really know how It s a book for the person who has a job family schedule kids deadlines full inbox and a million things to do and yet is curious about prayer and talking with God What does it really look like to pray in the midst of all of life s craziness

*In the Beginning* Jerrold E. Levy,2023-04-28 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North America by Europeans Looking first at the historical context of the Navajo narratives Levy points out that Navajo society has never during its known history been either homogeneous or unchanging

and he goes on to identify in the myths persisting traditions that represent differing points of view within the society The major transformations of the Navajo people from a northern hunting and gathering society to a farming then herding then wage earning society in the American Southwest were accompanied by changes not only in social organization but also in religion Levy sees evidence of internal historical conflicts in the varying versions of the creation myth and their reflection in the origin myths associated with healing rituals Levy also compares Navajo answers to the perennial questions about the creation of the cosmos and why people are the way they are with the answers provided by Judaism and Christianity And without suggesting that they are equivalent Levy discusses certain parallels between Navajo religious ideas and contemporary scientific cosmology The possibility that in the future Navajo religion will be as much altered by changing conditions as it has been in the past makes this fascinating account all the more timely This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North Am

Talking with God St. Alphonsus Liguori ,2011-07-31 Talking with God contains four of St Alphonsus Liguori s works detailing the mysteries of the interior life The Way to Converse with God A Short Treatise on Prayer Mental Prayer and The Presence of God Within these works St Alphonsus stresses the importance of the inner life the ease with which we can converse with God on how the eternal truths are revealed to us the absolute necessity of prayer and how all is eventually lost without prayer He directs us as to how to talk with God explains how God answers us how God listens to the prayers of everyone and shows us how to continually have God s Presence with us throughout our day Scriptoria Books has transcribed this edition word for word from original sources It was then edited formatted typeset and proofread through each revision Our procedures are not automated Our editions are not facsimiles and do not contain OCR interpreted text Our books are carefully created new editions of classic works      *Questions and Answers on Conversations with God* Neale Walsch,2000-01-01 Millions of readers have come to value the Conversations with God series by Neale Donald Walsch which has now been translated into twenty six languages Many thousands of those readers have had questions for him questions about religion good and evil physical and mental health death prophecy the nature of God and the universe prayer angels and devils spiritual paths relationships and much more In Questions and Answers on Conversations with God Neale with characteristic wit and wisdom responds to the most compelling and provocative of these letters and the result is a book that is profoundly enlightening and inspiring By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals Neale s answers illustrate the direct link between spiritual and physical reality clearly

demonstrating how what we do and who we are in our lives is a result of how we think and what we believe This book gives us all the opportunity to look at ourselves to change ourselves and thus perhaps to change the world      *Talking With God*

Francois Fénelon, 2009-03-01 François Fénelon was a seventeenth century French Catholic archbishop who rose to a position of influence in the court of Louis XIV He became a wise mentor to members of the king's court his writings preserved by the many people whom he counseled These words have inspired Christians of all backgrounds for centuries with their frank honesty spiritual wisdom and unflinching response to truth This beautiful accessible contemporary English translation introduces you to the essential Fenelon All who seek fellowship with God amid the rush and racket of modern life will find that Fenelon's searching gentleness is a wonderful pick me up for the heart This selection from his letters is pure gold Dr J I Packer author of *Growing in Christ* Here is a book of spiritual reading that will guide you into an encounter with God through heart felt prayer and meditation solidly rooted in scripture and the Catholic tradition It represents the best of the ancient future evangelical and ecumenical spiritual literature with insights that have the power to transform our lives Dr Robert Webber author of *Ancient Future Worship* Hal M Helms was a popular author and editor at Paraclete Press Robert J Edmonson C J who also writes the Foreword for this volume holds a certificate in French from the University of Montpellier France and a degree in French from Middlebury College His translations of spiritual classics have sold nearly 100 000 copies Edmonson is also the editor of *The Complete Fenelon* available from Paraclete Press      *Prayer* Samuel Bulgín, 2018-11-26

There is a God who loves you so much that He wants you to grow closer to Him through prayer This is the central theme of Doctor Samuel Bulgín's book *Prayer Conversations with God* Bulgín points out that prayer which is talking to One we have never seen is foreign to humans Therefore growing through prayer requires pushing ourselves out of our comfort zone by committing ourselves to a regular pattern of communication with God and not just praying on a whim Prayer takes us deeper in our relationship with Him than we would choose to go ourselves Since God already knows everything about us before we pray the benefit to praying is in confessing our thoughts and feelings to the One who loved us first This thoughtful book also covers Remembering to whom we are praying Finding intimacy with God through prayer Effective patterns for prayer What to pray about The focus of faith in prayer Praying when you don't know whether it is God's will Unleashing supernatural power through prayer What hinders our prayers Why God doesn't answer all our prayers
