[The Fool's Journey: the History, Art, and Symbolism of the Tarot](#) Robert M. Place, 2010 This is one of the best resources for understanding the Tarot's mystical symbolism. It includes an updated history based on Place's *The Tarot History, Symbolism and Divination* which Booklist said may be the best book ever written on the tarot. This edition adds color illustrations of key works and comparative illustrations from the Renaissance from alchemical texts from ancient Egypt and from occult sources. It views the Tarot as a 500 year visual conversation between artists, mystics and occultists. The work is based on the 2010 Tarot exhibition at the LA Craft and Folk Art Museum curated by Place and includes the Visconti Sforza Tarot the 1st Italian printed deck, the oldest Tarot of Marseille, The 1st occult reference, the 1st occult Tarot, the 1st modern Tarot, the 1st New Age Tarot and examples from popular modern decks including the Twilight Tarot, the Legacy Tarot, the Deviant Moon Tarot, the Annotated Tarot of the Sevenfold Mystery and Place's *Alchemical Tarot*

Tarot Card Meanings

[Kevin Hunter, 2016-11-16 Tarot Card Meanings](#) is an encyclopedia reference guide that takes the Tarot apprentice reader through each of the 78 Tarot Cards offering the potential general meanings and interpretations that could be applied when conducting a reading whether it be spiritual, love, general or work related questions. Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings. They grow stuck staring at several cards sitting side by side having no idea what it could be telling them. The Tarot Card Meanings book can assist by pointing you in the general direction of where to look. It will not give you the ultimate answers and should not be taken verbatim as that is up to you as the reader to come to that conclusion. The more you practice, read and study the Tarot then the better you become. Tarot Card Meanings avoids diving into the Tarot history or card spreads and symbolism but instead focuses solely on the potential meanings of a card in a reading. This is by giving you a structure to jump off of but it is up to you to take that energy and add the additional layers to your reading while trusting your higher self, intuition, instincts and Spirit team's guidance and messages. Author Kevin Hunter is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers around the world in improving their well being while also helping them become stronger conduits with Spirit, Heaven and the Other Side. Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel. It is merely one suggested version of the potential meanings of each of the 78 Tarot cards in a reading. This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves or a Tarot reader who loves the craft and is looking for a refresher or another point of view. NOTE: The Tarot Card Meanings book does not include a Tarot deck.

The Tarot Cynthia Giles, 1994-10 With more than 40 illustrations and an entertaining informative text this elegantly designed book captures the scope, powers and romance of the Tarot throughout the ages. Excellently researched, entertainingly and compellingly written. Booklist
