*The Catholic Bible Promise Book* Barbour & Company, Inc.,1990-08-01      **The Christian Apostolate Its Principles**

**Methods & Promise in Evangelism** William Wallace Everts,1890      *The Formation and Significance of the Christian Biblical Canon* Tomas Bokedal,2013-12-05 This book offers a fresh cross disciplinary approach to the current discussion on the Christian canon formation process By carefully integrating historical hermeneutical and theological aspects to account for the emergence of the canon it seeks to offer a more comprehensive picture of the canon development than has previously been achieved The formation and continuous usage of the Christian biblical canon is here viewed as an act of literary preservation and actualization of the church s apostolic normative tradition the Scriptures and the Lord addressing first of all the church but also the wider society In order to grasp the complex phenomenon of the biblical canon the study is divided into four parts focusing respectively on linguistic and effective historical textual and material performative and ideational aspects of the canon Attention is given to the scribal nomina sacra convention the codex format oral and written Gospel early Christian liturgical praxis and the Rule of Faith Bokedal argues that the canon was formed in a process with its own particular intention history and direction Throughout the study history and theology past and present are considered alongside each other By using a Gadamerian hermeneutics of tradition the reader s attention is directed to historical dimensions of the canon and its interpretative possibilities for our time The notion of effective history Wirkungsgeschichte as well as the interaction between text community and reader are crucial to the argument The canonical text as text its interpretation and ritual contextualization are highlighted as unifying elements for the communities being addressed      The Worst of Indignities: The Catholic Church on Slavery Paul Kengor,2023-06-26 Many Americans think of slavery as their nation s original sin But in truth slavery has involved peoples and cultures and countries far beyond the United States Slavery is as old as human history itself And yet the one living institution that has condemned slavery longer and more consistently than any other is the Roman Catholic Church In *The Worst of Indignities The Catholic Church on Slavery* bestselling author Paul Kengor shines a light on The record and biblical roots of the Church s teaching on slavery The efforts of individuals and institutions within the Church to not only bring about freedom for enslaved people but to care for their physical and spiritual needs The stories of former slaves whose lives of exemplary holiness have placed them on the path of sainthood At a time when race relations are so bitter we need the clarifying truth to unite us all The story of the Roman Catholic Church s bold and divine opposition to slavery is one unknown to Catholics and non Catholics alike It is time for that story to be told      Contemporary Catholic Approaches to the People, State, and Land of Israel Gavin D'Costa,Faydra Shapiro,H. B. Pierbattista Pizzaballa,2022-02-18 After Vatican II the Roman Catholic Church began a process of stripping away anti Jewish sentiments within its theological culture One question that has arisen and received very scant attention regards the theological significance of the founding of the state of Israel in 1948 and the attendant nakba the plight of the

Palestinian people Some American evangelical Christians have developed a theology around the state of Israel associating themselves with Zionism Some Christian groups have developed a theology around the suffering of the Palestinian people and demand resistance to Zionism This unique collection of essays from leading Catholic theologians from the United States Germany France Italy Switzerland England and the Middle East reflect on the theological status of the land of Israel These essays represent an exhaustive range of views None avoid the new Catholic theology regarding the Jewish people Some contributors see this as leading towards a positive theological affirmation of the state of Israel while distancing themselves from Christian Zionists All contributors are committed to rights of the Palestinian people Some affirm the need for strong diplomatic and political support for Israel along with equal support for Palestinians arguing that this is as far as the Church can go Others argue that the Church's emerging theology represents the guilt conscience of Europe at the cost of the Palestinian people None deny the right of Jews to live in the land Two Jewish scholars respond to the essays creating an atmosphere of genuine interfaith dialogue which serves Catholics to think further through these issues *Catholic - Jewish Engagements on Israel* Gavin D'Costa, Vito Cennamo, White Op Thomas Joseph, 2025-07-25 This is the first volume of its kind bringing together a group of international Jewish and Catholic scholars in creative conversation addressing the question of the status of the land called Israel Is Israel best viewed as political territory the Holy Land or part of the biblical promise If committing to one of these options what are the theological and political consequences The book is divided into sections that take the reader through several related questions that bear upon this topic There is a preface with an overview of how far Catholic Jewish conversations have gone since Nostra Aetate and how these conversations have now begun to address the land Then there is an attempt to advance positive theological cases by Catholics and Jews affirming the people in the land as theologically significant not without difficulties regarding the state itself The next section deals with the bible Tanakh as the basis of such claims and addresses the different reading strategies by each community One of the central questions is then addressed what of the Palestinian people do the biblical promise to the Jewish people spell disaster for the Palestinians Can revelation mean dispossession The following essays address a stumbling block for both groups do Jewish and Christian theologies underwrite a nation state Isn't this option perilously close to God underwriting nationalism The book ends with subtle critiques of the entire venture undertaken in this volume Essential reading for Catholic Jewish relations and one that addresses one of the most pressing contemporary questions for both religions *The Bible and the rule of faith*, tr. by G.M. Ward Louis Nazaire Bégin (card.), 1875 *La Sainte Écriture et la règle de foi. The Bible and the Rule of Faith ... Translated ... by G. M.
