The Challengers Pocketbook:

The Challengers Pocketbook John Townsend, 1994 A collection of 24 portraits of difficult participants encountered on training courses and at meetings and how to cope with them

Challengers Pocketbook John Townsend, 2004-03 The Challengers Pocketbook is a collection of 24 portraits of difficult participants encountered on training courses and at meetings Meet the Trapper the Griper the Silent Cynic the Whisperer and their many friends Learn how to cope with them using such techniques as blockbusting psychological judo reframing self revelation

Managing Difficult Participants Pocketbook John Townsend, 2010-01-01 A collection of 24 portraits of difficult participants encountered on training courses and at meetings Meet the Trapper the Griper the Silent Cynic the Whisperer and their many friends Learn how to cope with them using such techniques as blockbusting psychological judo reframing self revelation and confrontation Cartoons of the characters add to the humorous approach and there are four mini case studies I loved the book It shows such a great variety of ways to deal with challengers

Confidence Pocketbook Peter English, 2014-01-01 Some books on the topic of confidence offer a quick fix approach which could be summarised as believe in yourself This Pocketbook is different it suggests that you need to arrive at a position of justified self belief In other words get good at something then believe in yourself It contains tips and techniques to help you grow in confidence grasp life's challenges and fulfil your ambitions Confidence matters because a lack of it can stop you going after what you really want in life The focus of this book is on acquiring real confidence that is substantial and justifiable Discover how to take on more challenging tasks through graded exposure managing your mindset and tapping into your sub personalities The author Peter English set up his own training company almost two decades ago and over the years has found that a lack of confidence is an issue for many course participants The advice and tips in this Pocketbook are based partly on working with those people hearing their stories and finding ways to help them as well as on research he has undertaken and his own experience of having once been a shy person The Confidence Pocketbook sets out a range of confidence building strategies and then pulls these together into an action plan There is advice too on how to boost your confidence at short notice when faced with specific challenges e.g. tackling a difficult conversation or making an important presentation

Engagement Pocketbook Douglas Miller, 2016-05-12 Fully engaged and motivated people perform better enjoy greater job satisfaction are more loyal and bring the manager and team leader the outcomes they have targeted Doug Miller author of the Engagement Pocketbook has distilled decades of theory on the topic of engagement to produce the SPARC model designed to help managers on a day to day basis get the best out of their people HR professionals coaches mentors and trainers will also find the model insightful SPARC comprises five elements Self determination degree of individual autonomy Purpose role clarity Authenticity scope for self expression Reward spiritual emotional financial gain Challenge need for learning development For each element five management interventions are described bringing the model to life and underscoring the pocketbook's practical approach
