The Chanak Affair:

[The Chanak Affair](#) David Walder,1969 [The Chanak Affair](#) A. L. Macfie,1979 **In Chanak with the British Army**
Percival James Bothwell,2023-12-05 In 1922 war between Turkey and Britain was but hours away A resistance army led by Mustafa Kemal had swept the Greeks from Anatolia and was now ready to march north to Constantinople and liberate the capital But in its way stood a small British garrison at the Dardanelles This affectionate account of the British Army at Chanak was written by a peripatetic Englishman Percival James Bothwell under the pseudonym Z He was branch secretary of the YMCA in Chanak Bothwell s account was originally published as a slim paperback by S Dirmikis Son Constantinople probably in 1923 This modern edition is a faithful reproduction of the original text It has been illustrated with contemporary photographs and two maps Included as appendices are a biography of Bothwell two stories by Bothwell from the YMCA magazine The Red Triangle and orders of battle for British forces at Chanak **Jihad** Andrew Hyde,2017-02-15 The story of the Ottoman Empire s religious crusade with the Central Powers against Allied Europe and its lasting legacy [From the Sultan to Atatürk](#) Andrew Mango,2010-09-14 World War I sounded the death knell of empires The forces of disintegration affected several empires simultaneously To that extent they were impersonal But prudent statesmen could delay the death of empires rulers such as Emperor Franz Josef II of Austria Hungary and the Ottoman Sultan Abd lhamid II Adventurous rulers Kaiser Wilhelm of Germany and Enver Pasha in the Ottoman Empire hastened it Enver s decision to enter the war on the side of Germany destroyed the Ottoman state It may have been doomed in any case but he was the agent of its doom The last Sultan Mehmet VI Vahdettin thought he could salvage the Ottoman state in something like its old form But Vahdettin and his ministers could not succeed because the victorious Allies had decided on the final partition of the Ottoman state The chief proponent of partition was Lloyd George heir to the Turkophobe tradition of British liberals who fell under the spell of the Greek irredentist politician Venizelos With these two in the lead the Allies sought to impose partition on the Sultan s state When the Sultan sent his emissaries to the Paris peace conference they could not win a reprieve The Treaty of S vres which the Sultan s government signed put an end to Ottoman independence The Treaty of S vres was not ratified Turkish nationalists with military officers in the lead defied the Allies who promptly broke ranks each one trying to win concessions for himself at the expense of the others Mustafa Kemal emerged as the leader of the military resistance Diplomacy allowed Mustafa Kemal to isolate his people s enemies Greek and Armenian irredentists Having done so he defeated them by force of arms In effect the defeat of the Ottoman empire in the First World War was followed by the Turks victory in two separate wars a brief military campaign against the Armenians and a long one against the Greeks Lausanne where General Ismet succeeded in securing peace on Turkey s terms was the founding charter of the modern Turkish nation state But more than that it showed that empires could no longer rule peoples against their wishes This need not be disastrous Mustafa Kemal demonstrated that the interests of developed countries were compatible with those of developing ones He fought the West in

order to become like it Where his domestic critics wanted to go on defying the West Mustafa Kemal saw that his country could fare best in cooperation with the West *The Encyclopedia of Diplomacy, 4 Volume Set* Gordon Martel,2018-04-30

Erickson,2021-05-24 The dramatic story of the turbulent birth of modern Turkey which rose out of the ashes of the Ottoman Empire to fight off Allied occupiers Greek invaders and internal ethnic groups to proclaim a new republic under Mustafa Kemal Atat rk It is exceedingly rare to run across a major historical event that has no comprehensive English language history but such was the case until The Turkish War of Independence brought together all the main strands of the story including the chaotic ending of World War I in Asia Minor and the numerous military fronts on which the Turks defied odds fighting off several armies to create their own state from the defeated ashes of the Ottoman Empire This important book culminates Erickson s three part series on the early 20th century military history of the Ottomans and Turkey Making wide use of specialized hard to find Western and Turkish memoirs and military sources it presents a narrative of the fighting which eventually brought the Turkish Nationalist armies to victory Often termed the Greco Turkish War an incomplete description that misses its geographic and multinational scope this war pitted Greek Armenian French British Italian and insurgent forces against the Nationalists the narrative shows these conflicts to have been distinct and separate to Turkey s opponents while the Turkish side saw them as an interconnected whole *The Nagorno-Karabakh Conflict* M. Hakan Yavuz,Michael Gunter,2022-07-01 This book presents a comprehensive overview of the Nagorno Karabakh conflict the long running dispute between Armenia and Azerbaijan over the Armenian majority region of Azerbaijan It outlines the historical development of the dispute explores the political and social aspects of the conflict examines the wars over the territory including the war of 2020 which resulted in a significant Azerbaijani victory and discusses the international dimensions

Arguing about Empire Martin Thomas,Richard Toye,2017-03-09 Arguing about Empire analyses the most divisive arguments about empire between Europe s two leading colonial powers from the age of high imperialism to the post war era of decolonization Focusing on the domestic contexts underlying imperial rhetoric Arguing about Empire adopts a case study approach treating key imperial debates as historical episodes to be investigated in depth The episodes in question have been selected both for

their chronological range their variety and above all their vitriol Some were straightforward disputes others involved cooperation in tense circumstances These include the Tunisian and Egyptian crises of 1881 2 which saw France and Britain establish new North African protectorates ostensibly in co operation but actually in competition the Fashoda Crisis of 1898 when Britain and France came to the brink of war in the aftermath of the British re conquest of Sudan the Moroccan crises of 1905 and 1911 early tests of the Entente Cordiale when Britain lent support to France in the face of German threats the 1922 Chanak crisis when that imperial Entente broke down in the face of a threatened attack on Franco British forces by Kemalist Turkey World War Two which can be seen in part as an undeclared colonial war between the former allies complicated by the division of the French Empire between De Gaulle's Free French forces and those who remained loyal to the Vichy Regime and finally the 1956 Suez intervention when far from defusing another imperial crisis Britain colluded with France and Israel to invade Egypt the culmination of the imperial interference that began some eighty years earlier
