The Cherry Blossom Corpse Robert Barnard, 2013-03-21 From eight time Edgar Award nominee Robert Barnard comes a thrilling murder mystery set against the backdrop of a romance writer convention in Norway Scotland Yard's Perry Trethowan never wanted to make the trip to Norway for the World Association of Romantic Novelists convention But it was hard saying no to his newly published sister Christobel And besides the worst he expected was the chilly Scandinavian weather and a harmless if irritating menu of fanciful writers and flowery language Who could've known that backbiting malice and bitter rivalry were the true customs of this convention and that the plot line would soon include murder Amanda Fairchild the genre's amorous doyenne ends up dead while en route to a fjord side tryst of her own and the dauntless Trethowan must discover which of these authors has turned the page from romance to homicide *The Cherry Blossom Corpse*. Large Print Robert Barnard, 1988 *The Corpse at the Haworth Tandoori* Robert Barnard, 2013-02-19 The body of a young man almost naked found in the car park behind a Haworth restaurant marks the beginning of the case and it is his identity that is the first puzzle for DC Charlie Peace and his superior Detective Superintendent Oddie But before long the puzzle that most concerns them is the nature of the close knit artistic community where Declan O'Hearn had acted as odd job boy The little knot of people seem united less by their ability as painters than by a common worship of the distinguished artist Ranulph Byatt who seems to prefer the adulation of his inferiors to the judgement of his equals Peace soon starts to wonder if there isn't a sinister reason for this And as the search for the killer gathers pace Peace and Oddie uncover a series of dark secrets in the harsh Haworth landscape Death of a Mystery Writer Robert Barnard, 2013-02-26 From award winning mystery writer Robert Barnard comes a classic British whodunit about a bestselling author who is murdered and his latest unpublished manuscript has gone missing Sir Oliver Fairleigh Stubbs overweight and overbearing collapses and dies at his birthday party while indulging his taste for rare liquors He had promised his daughter he would be polite and charitable for the entire day but the strain of such exemplary behavior was obviously too great He leaves a family relieved to be rid of him and he also leaves a fortune earned as a bestselling mystery author But the manuscript of the unpublished volume left to Sir Oliver's wife a posthumous last case that might be worth millions has disappeared And Sir Oliver's death is beginning to look less than natural Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill, 2006-10 Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of 3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4 Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year's is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means

sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems fetting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In *Cherry Blossom Epiphany* Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like *Rise Ye Sea Slugs* 2003 and *Fly ku* 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while *Cherry Blossom Epiphany* may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author
