**The Chinese Way of Love** Charles Humana, Wang Wu, 1982      The Tao of Love and Sex Jolan Chang, 1977 Two thousand years ago at a time when the Christian West was frantically repressing sexuality the Chinese were enjoying an erotic life that fused the sensual and the spiritual in which sexual guilt and sexual aberrations like sadism and masochism were all but absent This bestselling book by a leading modern exponent of Taoism makes that erotic life available to all who seek it With its emphasis on male restraint and female pleasure and its healing vision of sex as an expression of a deeper cosmic balance The Tao of Love and Sex offers us nothing less than a new model of loving at once exciting and serene passionate and compassionate      Sex in China Fang Fu Ruan, 2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China      Chinese Way of Love Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1986-02-01      **The Culture of Love in China and Europe** Paolo Santangelo, Gábor Boros, 2020-01-13 In The Culture of Love in China and Europe Paolo Santangelo and Gábor Boros offer a survey of the cults of love developed in the history of ideas and literary production in China and Europe between the 12th and early 19th century They describe parallel evolutions within the two cultures and how innovatively these independent civilisations developed their own categories and myths to explain exalt but also control the emotions of love and their behavioural expressions The analyses contain rich materials for comparison point out the universal and specific elements in each culture and hint at differences and resemblances without ignoring the peculiar beauty and attractive force of the texts cultivating love      *De zwaartekracht overwonnen* Yves T'Sjoen, 2004 In deze aflevering van het jaarboek staat de allochtone etnische of migrantenliteratuur centraal en wordt de zwart wit tegenstelling autochtoon allochtoon alsof het twee exclusieve homogene en oppositionele categorieën zijn in het hedendaagse literaire landschap aan de hand van enkele uitgewerkte casestudies in vraag gesteld      The Contemporary Construction of the Chinese Form of Marxist Literary
