

The background is a dark, textured surface, possibly a brick wall, with a diagonal beam of light passing through it from the top left, creating a bright, glowing effect.

# THE CHRIST HYMN

PHILIPPIANS 2:1-11

## The Christ Hymn

**Frederic Henry Hedge, Frederic Dan  
Huntington**

## **The Christ Hymn:**

*Christ in the Early Christian Hymns* Daniel Liderbach,1998 From the first days of the church Christians confessed their faith in Jesus Christ in both theological discussion and in popular hymns of devotion After the major church councils from Nicaea to Chalcedon brought clarification and definition to Christological doctrines the hymns began to express clearly this belief in Jesus as truly God and truly human Father Liderbach shows that pre Nicaean hymns inductively held in tension both the full humanity of Jesus and his more than human status Then during the councils from Nicaea to Chalcedon deductive doctrine held sway in the new hymn compositions But the final definition by Chalcedon encouraged new hymns in which humanity and divinity are once again held in experiential tension according to the rule of faith of the earliest period

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Hymns and Hymnody:**

**Historical and Theological Introductions, Volume 1** Mark A. Lamport,Benjamin K. Forrest,Vernon M. Whaley,2019-02-21 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship *Hymns and Hymnody Historical and Theological Introductions* is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of *Hymns and Hymnody* is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature **Hymn and songs in praise of Jesus Christ** Edward PYKE,1805 **Theological Interpretation of Scripture as Spiritual Formation** ,2022-12-19 Academic expertise is essential But have you ever wondered how it itself is spiritually formative This book coming from an interdisciplinary assortment of scholars shows how the exegetical methods of Theological Interpretation of Scripture TIS are themselves spiritually formative This book provides a diverse collection of essays that focus on theological interpretative methods that result in a unique transformational experience not achieved through historical critical or grammatical historical

approaches alone Renowned thinkers such as biblical scholar Ben Witherington III historical theologian Mark Elliott and theologian Arthur Sutherland offer new works that explore how reading theologically can transform theology cultures and individuals These new studies focus on the theological exegesis of such thinkers as Mother Teresa Thomas Aquinas Ignatius of Antioch and Clement of Alexandria The collection also includes several important and timely pieces that show how theological interpretation leads to moral formation within diverse cultural groups including African American and Latinx communities Dictionary of Paul and his letters GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21

The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

**A Collection of Hymns, for the Use of the People Called Methodists ... With a New Supplement. MS. Notes [by John Julian].** John Wesley, 1875

**Songs of Grace and Glory ... Hymnal treasures of the Church of Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand** Charles Busbridge SNEPP, 1872

**The Christ Hymn** Louis Templeman, 1993

A challenging message and a serious call to commitment this book explores themes found in the verses of Philippians 2 6 11 Its purpose is to teach the believer how to increase the value and quality of his Christian experience *The Jewish Annotated New Testament* Amy-Jill Levine, Marc Zvi Brettler, 2017 First published in 2011 The Jewish Annotated New Testament was a groundbreaking work bringing the New Testament's Jewish background to the attention of students clergy and general readers In this new edition eighty Jewish scholars bring together unparalleled scholarship to shed new light on the text This thoroughly revised and greatly expanded second edition brings even more helpful information and new insights to the study of the New Testament Introductions to each New Testament book containing guidance for reading and specific information

about how the book relates to the Judaism of the period have been revised and augmented and in some cases newly written Annotations on the text some revised some new to this edition provide verse by verse commentary The thirty essays from the first edition are thoroughly updated and there are twenty four new essays on topics such as Mary in Jewish Tradition Christology and Messianic Judaism For Christian readers The Jewish Annotated New Testament offers a window into the first century world of Judaism from which the New Testament springs There are explanations of Jewish concepts such as food laws and rabbinic argumentation It also provides a much needed corrective to many centuries of Christian misunderstandings of the Jewish religion For Jewish readers this volume provides the chance to encounter the New Testament a text of vast importance in Western European and American culture with no religious agenda and with guidance from Jewish experts in theology history and Jewish and Christian thought It also explains Christian practices such as the Eucharist The Jewish Annotated New Testament Second Edition is an essential volume that places the New Testament writings in a context that will enlighten readers of any faith or none **Hymns for the Church of Christ** Frederic Henry Hedge,Frederic Dan Huntington,1859 Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books,1884 *The Thought of God in Hymns and Poems* Frederick Lucian Hosmer,William Channing Gannett,1889

St. Dominic's hymn-book. With the order of compline according to the Dominican rite Dominic (st.),1885 Songs of a Worker Arthur William Edgar O'Shaughnessy,1881 **Hymns for the Church of Christ** Frederic H. Hedge,Frederic D. Huntington,2025-08-29 Reprint of the original first published in 1859 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Franklin Square Song Collection* ,1887 *A Dictionary of Hymnology* John Julian,1892 *Hymns of Ter Steegen and Others* ,1899 The Cambridge Review ,1894 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol The Hymn ,2013
