**The Guns of Ellsworth** Dwight Bennett Newton, **The Guns of Ellsworth** Dwight Bennett,1973 *Field Artillery Weapons of the Civil War* James C. Hazlett,Edwin Olmstead,M. Hume Parks,2004 This is a detailed survey replete with photographs and diagrams of the field artillery used by both sides in the Civil War In paperback for the first time the book provides technical descriptions of the artillery bore weight range etc ordnance purchases and inspection reports Appendixes provide information on surviving artillery pieces and their current locations in museums and national parks

**The Guns of Ellsworth** D. B. Newton,2004 Two years in prison had changed Vern Balance from an easy going drifter with a liking for cards and liquor to a hard bitter man Still trouble was the last thing he was looking for as he rode to the town of Ellsworth to collect an old debt that could help him start over But trouble was what he found in that dusty Kansas cowtown where falling beef prices and border rivalries had inflamed resentments between the drovers and corrupt town officials It occurs to Vern that violence may be as hard to escape as the memory of his time in prison D B Newton was one of the founders of the Western Writers of America and has applied his considerable talents and authoritative knowledge of the Old West to films and to television in such series as Death Valley Days and Wagon Train

**Last Resort Beyond Last Resort** Walter Herbst,2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to

the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK's Presidency they had collaborated with ex Nazis European Monarchs and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald    **The Republic** John Robert Irelan,1888    Blood Rock Ralph Cotton,2018-10-20 Where

Legend Begins Years before he became famous as The Ranger young Samuel Burrack was a buffalo hunter trying his hand at enterprise on the Western Frontier When his best friend is murdered his first instinct is simple find the killers and deliver justice Joined by legendary Ranger Clyde Outrider Sazes Samuel learns how to track hunt and shoot from the best in the territory But when the badmen split up so must the partners and Samuel soon finds himself alone in the very town the gang has chosen as a rendezvous Befriended and further taught the skills of the killing trade by Lawrence Shaw aka Fast Larry the Fastest Gun Alive the newly deputized Samuel will have to muster all of his strength courage and skill against a batch of murderous thieves whose only desire is to kill and conquer For Samuel Burrack it is his first fight to the death and his first step toward becoming a legend    *Civil War Times Illustrated* ,1980    **A Reporter's Lincoln** Walter Barlow

**Trouble Creek** Ralph Cotton,2018-10-21 Dick Lowry and his gang think robbing banks is their natural right It has never occurred to them that Ranger Sam Burrack might thwart them especially in a one horse town like Olsen It s only when the gun smoke clears that the hardcases realize the money s still in the bank vault and they re behind bars But Burrack never counted on a certain local vixen with a talent for larceny Preview of Ralph Cotton s Blood Rock and Jackpot Ridge at the end of this book      **The Story of American Heroism** ,1895      *Captured by Zulus* Harry Prentice,1890      **The War of the rebellion: a compilation of the official records of the Union and Confederate armies, prepared by R.N.
