A Fool and Forty Acres Geoff Heinricks, 2005-07-26 foreword by Jamie Kennedy A Fool and Forty Acres is Heinricks beautifully written account of leaving behind the rat race slowing life down and establishing an intimate relationship with one small parcel of land in a magical corner of Canada You won't find Prince Edward County on any map of the world's great wine regions Yet it is to this dollop of rolling limestone in eastern Lake Ontario that Geoff Heinricks brought his young family in pursuit of a dream of creating a truly world class wine The County as the locals call it is a long way from the Niagara Peninsula and three thousand miles from Burgundy yet Heinricks and a few hardy souls like him claim that their wines will one day rival those of the legendary French province A self described 21st century peasant Heinricks follows the seasons in his vineyards with exquisite attention from digging the earth to grafting and planting the vines to trellising and pruning to tending the young grapes to harvesting the fruits of his labours Along the way he sketches the human history of the area the native peoples whose tools and clay shards are heaved up by the soil and the United Empire Loyalists whose tidy barns and farmhouses still dot the landscape today He also presents a cast of his colourful County neighbours from old school farmers to refugees like him from the city convinced in the wisdom of producing and consuming locally the very best food and wine in harmony with the land
