**Debating the Faith: Religion and Letter Writing in Great Britain, 1550-1800** Anne Dunan-Page, Clotilde Prunier, 2012-11-05 The first book to address the role of correspondence in the study of religion Debating the Faith Religion and Letter Writing in Great Britain 1550 1800 shows how letters shaped religious debate in early modern and Enlightenment Britain and discusses the materiality of the letters as well as questions of form and genre Particular attention is paid to the contexts in which letters were composed sent read distributed and then destroyed copied or printed in periods of religious tolerance or persecution The opening section Protestant identities examines the importance of letters in the shaping of British protestantism from the underground correspondence of Protestant martyrs in the reign of Mary I to dissident letters after the Act of Toleration Representations of British Catholicism explores the way English Irish and Scottish Catholics whether in exile or at home defined their faith established epistolary networks and addressed political and religious allegiances in the face of adversity The last part Religion science and philosophy focuses on the religious content of correspondence between natural scientists and philosophers      *Billy Baxter's Letters* William J. Kountz, 2015-07-11 Excerpt from Billy Baxter's Letters In presenting a new edition of Billy Baxter's Letters we need only refer the reader to the original preface which sets forth the circumstances surrounding the initial publication Billy Baxter claimed for his slang that it was up to date but time has proven that it was far in advance of date only because many of the expressions used in Billy Baxter's Letters did not come into common use until upwards of ten years after the publication of the famous stories We offer this re issue of Billy Baxter's Letters to our American friends in the hope that it will come with as much sunshine to the present generation as the original edition did to the past About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Billy Baxter's Letters*
