minutes to provide me with another big load. In the meantime someone else had started fucking me. The chick was much smaller than the earlier one and was easier to handle. But he banged and banged and in about five minutes, another load was in my ass. Again, the man fucking me immediately came up front for me to clean him off. I obliged with pleasure and did my duty. One of the men told me to squat down and shit in the large jar. Sandy had given me an enema earlier in the day so all I had to shit out was two large loads. One of the men was playing and gently twisting my tits as I was shafting the come out. The man offered me a joint and I accepted. One of the men held my front behind, playing with my tits. The man in front took the large jar and ordered me to drink out the large gob of come I had just shit out of my hole. I did as I was told while the boys whooped it up and laughed. I looked around and saw Sandy. He told me to get my clothes on and get back to the truck. I did as I was told and he joined me in a few minutes.

Neither one of us said a word on the way to the hoe-down. I started beasing country music and knew we were getting close. As we entered the building, I recognized some of the men as the ones who had just "raped" me. They came up one-by-one and shook my hand. "Damn, you were good" they said. "We haven't had anyone like you for a long time." We all laughed and started drinking and dancing. After about three hours of non-stop dancing, the "Tennessee Waltz" started playing and I knew it was time to go. There was a lot of slap backin and I had gotten a few invitations to visit throughout the year.

When we got home, Sandy pushed me on the bed, pulled my clothes off and threw my on my stomach. He roughly grabbed my ass and started licking it out. I couldn't believe it! It was dynamite and I was enjoying it for all it was worth. Of course, I knew what was happening next and prepared myself. With rapid fire speed, it took Sandy about five minutes to pop his load, turn me over to clean him off, and said "It's time to sleep." I snuggled and had my nose under his armpit using the body order as an inducement to sleep.

Again I woke up to bacon and eggs. Well, it's time to get you back to civilization. "Hope you'll be coming back soon." "You'd better believe it" I stated. "All my fantasies came true this weekend."

He took me to the bus stop, hugged me and I told him he'd be seeing me soon. As the bus drove away, I looked back and saw him waving and smiling.

"Well," I thought. "Back to the 9 to 5 game".

---

Well, this concludes this great fantasy story by one of our members. We hope, are encouraging, and looking forward to more from Mr. Howard. What a Sleezy imagination. Don't you just love it!

Once again we would like to urge you bears with a story to tell to use these humble pages as your outlet. Thanks PB

### **The Bear Fax Introduction**

In today's digital age, the availability of The Bear Fax books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Bear Fax books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Bear Fax books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Bear Fax versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Bear Fax books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Bear Fax books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Bear Fax books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for

students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Bear Fax books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Bear Fax books and manuals for download and embark on your journey of knowledge?
