**Tears of a Dragon** Anna Clark,2020-02-12 In a world marked by an ancient never ending war two boys live very different lives Good hearted Oren Raevin with his mother dead and his father missing is an outcast in his village In contrast Syris Ulzary is the pride of his people although his heart is corrupted As tensions rise in their homes a talking bear named Ral appears to each one and spirits them away Where the bear plans to lead them however is far more dangerous than they could have anticipated Monsters demons and magical entities all block the way on the frightful path to their goal to find the Goddess of Origin the creator of the universe before Tora the God of Rage breaks free of his prison and destroys everything As Ral struggles to keep Oren and Syris alive the secrets surrounding them threaten to pull their fragile bond apart Events reveal both the lies and truths that have defined the boys lives and they find themselves questioning their own realities If this unlikely trio of heroes isn t strong enough to withstand the danger the journey could end them In this fantasy novel two boys join forces with a talking bear in an attempt to save their world from destruction at the hands of the God of Rage

Dragon's Tear M. J. Allaire,2008-04-01 In the sequel to The Prisoner we find ourselves traveling with the boys from Uncava Nicho and Micah reunited in the Yarnie village are instructed by Katielda to head east as they continue their search for the missing girls Unbeknownst to them they are also on their way to answering very important questions in an adventure of a lifetime In the beginning of their journey they speak to Boheall an ancient and mysterious creature who first tells them a story then instructs them to go to the Dryas Forest where they must locate another creature named Teresia It is she who will guide them safely to the edge of the large body of water that is home to the Castle of Tears They have no way of knowing that they are about to discover an ominously dark and dangerous lake where growling unseen creatures lurk in the shadows Once there the boys both sense how imperative it is for them to find some way across this water as they search for the place where the mysterious blue amulet known in the world of Euqinom as Dragon s Tear is said to be hidden Will the boys succeed in finding this very special second amulet that has already fallen into an evil sorcerer s hands And if they are able to find it will they succeed in retrieving it and return it to the dragons without becoming victims of their own incredible journey By the time you finish this the third book in the Denicalis Dragon Chronicles series you will be halfway through your own magical adventure The other books in this series are Dragon s Blood Denicalis Dragon Chronicles Book One The Prisoner Denicalis Dragon Chronicles Book Two Happy reading     **The Camp of Gods Tears** Marilyn Lee,John R. Mayfield,2011-10 A highly evolved civilization almost unknown to history thrived in North America for centuries long before the coming of Europeans The Camp of God s Tears is a tragic tale about this civilization as it ended This story is grounded in fact according to archeological genetic and linguistic data as reflected in the Afterward which presents supportive information and a bibliography of nearly 400 sources This saga is told as a narrative by Gray Wolf who begins his story during his late adolescence and follows through six generations until he becomes a great grandfather The Camp of God s Tears reveals the

high level of sophistication of this culture which was far more advanced than many cultures of the same time period circa 300 AD More importantly it articulates the depth of their spirituality and moral codes by which these people lived While the mysterious ending of a great culture is heart rendering the story ends on a note of hope for contemporary times The story came to me in a dream It was told to me by Falling Star She answered a myriad of questions I asked She showed me the locations of where the events in the story took place She showed me her People who wore exotic clothes made of finely woven textiles decorated with pearls copper and other artistic ornaments She showed me strongly built homes their villages and their expansive farms I saw their social organization was powerful yet simple a few shaman elders and no real leaders She intrigued me with their immense earthworks which demonstrate accurate astronomical alignments to the Sun Moon stars and galaxies The organization of labor engineering skills mathematical and astronomical knowledge required to build these phenomenal earthworks amazes modern researchers I asked Falling Star why she showed me all of this She said her People wanted their story told and asked me if I would tell it Of course I said and then I asked her why She said her People were so deeply spiritual so in tune and in touch with the Creator that they actively lived the principles of Oneness Their ways demonstrated what being one and at one with the One looked like in real life She said the people of my time need to know these principles and to learn to live them because humankind is struggling to regain balance in a troubled world
