**How to Start Coin Collecting** Maxwell Rotheray, Starting a business is never an easy feat. There are so many things you have to do: first market research, planning, dealing with legal and financial decisions. A coin collecting business isn't exactly any different; it's a lot of work, too. And while a business degree or some other fancy college degree can help you get started in the business world, there is no school for coin collecting. Coin collecting is something you have to study on your own. And to get into this business, you have to learn from experienced hands in the business. We can both guess how much time that would take because a person wouldn't exactly abandon their business and dedicate their time to showing you the ropes. Which is why I've brought you a shortcut. This book will teach you all there is to know about starting a coin collecting business: the ins and outs, every shortcut, and every necessary step you need to take to avoid failure. Every problem you could encounter when starting a coin collecting business has been addressed, and so many successful coin collecting businesses have been built from reading these pages. It's time to start yours. Get your copy.
