Michael McCoy III,2021-09-13

In Interpreting the Qur'an with the Bible R Michael McCoy III brings together two lesser known yet accomplished commentators on the Qur'an and the Bible the mu'tabir Ab al-akam Abd al-Salām b. al-İblīd 536-1141 referred to as Ibn Barra n and qāri al-qurr Ibrāhīm b. Umar b. asan al-Biqdī 885-1480 In this comparative study comprised of manuscript analysis and theological exegesis a robust hermeneutic emerges that shows how Ibn Barra n's method of na'mah qur'an and al-Biqdī's theory of ilm munabat al-qur'an motivates their reading and interpretation of the Arabic Bible The similarities in their quranic hermeneutics and approach to the biblical text are astounding as each author crossed established boundaries and pushed the acceptable limits of handling the Bible in their day *Jesus of the Bible and the Quran: Same Or Different?* Salahuddin

Decero,2014-07-04 Jesus of the Bible and the Quran Same or Different is a book that was written to ask the question Who is Jesus of Islam and Christianity and are they the same or different I go through the core beliefs of Christianity and the Bible and show that who Jesus says he is in the Bible is who he is in Islam This book is great for Dawah For Muslims to give to their neighbors friends coworkers employees and more to instruct them on the question of who Jesus is in Islam This book was written for a Christian audience because it answers all the questions they may have about Muhammad in the Bible Trinity Original Sin Crucifixion Errors of the Bible Did Jesus say he was God or worship him Jesus son or servant of God and more I have personally read many Dawah books on this subject of Jesus but never have I seen one with this detail I constantly go back to the Bible to answer the questions of who Jesus is and eventually you will discover page by page that that is the Jesus of Islam Whether Muslim or Christian this book is a great read for you to enjoy For 2000 years man has been asking the question who is Jesus and now it has been made clear in this book **Is Religion Killing Us?** Jack

Muslim scholars to explore ways of engaging with Christians theologically culturally and socially This book explores the ways in which an awareness of Islam and the Qur'an can change the way in which the Bible is read The contributors come from both Muslim and Christian backgrounds bring various levels of commitment to the Qur'an and the Bible as Scripture and often have significantly different perspectives The first section of the book contains chapters that compare the report of an event in the Bible with a report of the same event in the Qur'an The second section addresses Muslim readings of the Bible and biblical tradition and looks at how Muslims might regard the Bible Can they recognise it as Scripture If so what does that mean and how does it relate to the Qur'an as Scripture Similarly how might Christian readers regard the Qur'an The final section explores different analogies for understanding the Bible in relation to the Qur'an The book concludes with a reflection upon the particular challenges that await Muslim scholars who seek to respond to Jewish and Christian understandings of the Jewish and Christian scriptures A pioneering venture into intertextual reading this book has important implications for relationships between Christians and Muslims It will be of significant value to scholars of both Biblical and Qur'anic Studies as well as any Muslim seeking to deepen their understanding of the Bible and any Christian looking to transform the way in which they read the Bible
