Hughes, 1889      *My Father's Kampung: A History Of Aukang And Punggol* Shawn Li Song Seah, 2020-09-17 Written by author and speaker Shawn Seah My Father s Kampung delves into the social history of Aukang and Punggol as it traces a son s journey to better understand and appreciate the kampung life his father lived The book is rich in personal stories and oral histories of those who lived there from the 1940s to 1970s brought to life by Seah s passionate narrative as well as illustrations and photos This book is supported by the National Heritage Board with Forewords by Robert Yeo and Montfort Alumni      **A History of the Church in Africa** Bengt Sundkler, Christopher Steed, 2000-05-04 Bengt Sundkler s long awaited book on African Christian churches will become the standard reference for the subject      The Bible in History David W. Kling, 2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements

that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young rule to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18 20 and considers the multitudinous interpretations before during and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts
