The Causes of the

American Civil War Doreen Bärwolf, 2010-09 Seminar paper from the year 2006 in the subject English Applied Geography grade 1 3 <http://www.uni-jena.de/Anglistisch/Amerikanistisches-Institut/course/Landeskunde/Major-Events-and-Figures-in-American-History/language-English/abstract/The-American-Civil-War-of-1861-to-1865-was-one-of-the-most-important-and-worst-events-in-American-history> This extremely bloody and cruel war in which Americans fought against themselves had many causes. From the Declaration of Independence 1776 to the war itself many problems concerning morality, the Westward movement, slavery and ethnicity occurred. Nowadays many people think that there was only one reason for the Civil War, namely slavery. Keeping this strong generalisation in mind, I want to explain that there were quite a lot of factors and events piled up over decades to explode in the 1860s. The following chapters will explain the situation from 1820 to the beginning of the Civil War. I am going to start with the situation in the 1850s and before and go on with the war against Mexico and its aftermath. After that, I want to decode the complicated situation about the decisions on slavery based on the two chapters before. In the last two parts of the text, the last steps to the Civil War will be described in detail. That includes the Kansas-Nebraska Act and the election of Abraham Lincoln to president. All these events named are known as the main causes of the Civil War by historians on which this assignment is based. *Causes of the Civil War* James F. Epperson, 2005. Explains the causes of the American Civil War, including legislative efforts to prevent the conflict and the rising sectional tensions during the 1850s that ultimately led to rebellion by the Southern states.
