CARLETON L. BROWNSON

The Character Of Xenophons Hellenica

**William Watson Goodwin, Joseph Henry
Allen**

The Character Of Xenophons Hellenica:

The Character of Xenophon's Hellenica Vivienne Gray, 1989 Vivienne Gray examines the Hellenica not as an account of historical events but as a piece of historical writing. In it, she attempts to discover the mentality of the writer. **The Character of Xenophon's Hellenica** Vivienne Gray, 1989 Xenophon's Theory of Moral Education Houliang Lu, 2014-11-19 Xenophon the Athenian, who is well known both as a historian and as a witness of Socratic philosophy, developed his own systematic thought on moral education from a social and mainly political perspective in his extant works. His discourse on moral education represents the view of an unusual historical figure, an innovative thinker as well as a man of action, a mercenary general and a world citizen in his age. As such, it is therefore different from the discourse of contemporary pure philosophy. The Works of Xenophon: Hellenica, Books I & II, and Anabasis. 1890 Xenophon, 1890 **The Works of Xenophon: Hellenica** Xenophon, 1892 *The Journal of Hellenic Studies*, 1888 Vols 1-8, 1880-87, plates published separately and numbered I-LXXXIII. *The Cambridge Companion to Xenophon* Michael A. Flower, 2016-12-15 This Companion, the first dedicated to the philosopher and historian Xenophon of Athens, gives readers a sense of why he has held such a prominent place in literary and political culture from antiquity to the present and has been a favourite author of individuals as diverse as Machiavelli, Thomas Jefferson, and Leo Tolstoy. It also sets out the major problems and issues that are at stake in the study of his writings while simultaneously pointing the way forward to newer methodologies, issues, and questions. Although Xenophon's historical, philosophical, and technical works are usually studied in isolation because they belong to different modern genres, the emphasis here is on themes that cut across his large and varied body of writings. This volume is accessible to students and general readers, including those previously unfamiliar with Xenophon, and will also be of interest to scholars in various fields. **Xenophon's ›Anabasis‹ and its Reception** Tim Rood, Melina Tamiolaki, 2022-10-24 This volume constitutes the first large-scale collaborative reflection on Xenophon's Anabasis, gathering experts on Greek historiography and Xenophon. It is structured in three sections: the first section provides a linear reading of the Anabasis through chapters on select episodes from Book 1 through Book 7, including the opening, Cyrus' characterisation, the meeting of Socrates and Xenophon, Xenophon's leadership, the marches through Armenia and along the Black Sea coast, and the service under Seuthes in Thrace. The second section offers an in-depth exploration of hitherto overlooked recurrent themes. Based on new approaches and scholarly trends, it focuses on topics such as the concept of friendship, the speeches of characters other than Xenophon, the suffering of the human body, the role of rumour and misrepresentation, and the depiction of emotions. The third section offers a more thorough investigation of the manifold reception of this work in Antiquity, Byzantium, Renaissance, modern period, in cinema studies, and illustrations. Finally, in acknowledgement of the Anabasis' long history as a pedagogical text, the volume contains an envoi on the importance and benefits of teaching Xenophon and the Anabasis more specifically. Xenophon: Ethical Principles and Historical Enquiry Christopher Tuplin, Fiona Hobden, 2012-08-28 Xenophon's personal

history was exceptional for its combination of Socratic education and the exercise of military leadership in a time of crisis His writings provide an intellectually and morally consistent response to his times and to the issue of ethical but effective leadership and they play a special role in defining our sense of the post Athenian Empire Greek world Recent Xenophonic scholarship has established the general truth of these claims The current volume will not only reinforce them but also contribute to greater understanding of a voice that is neither simply ironic nor simply ingenuous and of a view of the world that is informed by an engagement with history

Oaths and Swearing in Ancient Greece Alan H. Sommerstein, Isabelle C. Torrance, 2014-09-04 The oath was an institution of fundamental importance across a wide range of social interactions throughout the ancient Greek world making a crucial contribution to social stability and harmony yet there has been no comprehensive dedicated scholarly study of the subject for over a century This volume of a two volume study explores the nature of oaths as Greeks perceived it the ways in which they were used and sometimes abused in Greek life and literature and their inherent binding power

The Greek Historians: Xenophon: The Hellenica Francis Richard Borroum Godolphin, 1942 *A Lexicon to Xenophon's Anabasis* Alpheus Crosby, 1875 **Hellenica** Evelyn Abbott, 1880

Xenophon and the Art of Command Godfrey Hutchinson, 2000 The purpose of this study is to examine those aspects of command which are recurrent in Xenophon's writings and reflect those which he and obviously his contemporaries thought important for anyone undertaking the role of a commander Examples of good and bad practice abound and Xenophon's evaluations of them are highlighted The approach is thematic rather than chronological so that comparisons between sections of the text and themes can more easily be made As a result differing aspects of the same action are often explored across a range of themes so that the fourth century benchmark for a good command is clarified Introduction Xenophon's Anabasis Xenophon, 1900 **Xenophon: Anabasis, book iv., ed. by W.H. Balgarnie** Xenophon (of Athens.), 1898

Greek Reader (prose) Consisting of Selections from Xenophon, Plato, Herodotus, and Thucydides William Watson Goodwin, Joseph Henry Allen, 1871 **Xenophon's Anabasis: book iii, ed. for the use of schools, with notes [&c.] by G.H. Nall** Xenophon (of Athens.), 1891 **Xenophon's Anabasis: book vi, ed. for the use of schools, with notes [&c.] by G.H. Nall** Xenophon (of Athens.), 1893 *A Classical Dictionary of Biography, Mythology, and Geography* William Smith, 1883
