Lyrics in Search of Music Terry L. Rath,2018-11-20 I have composed the following collection of poetry for more than four decades This is my second published book of verse Once again it has been inspired by people places and life episodes that have been a large part of my life Writing has become a great passion for me as it occupies such a large part of my life In this book I cover several darker subjects from the less popular side of life that I didn t feature in depth in my first book Working in downtown Denver for more than ten years I encountered people that were struggling to just survive rather than actually living life My goal in compiling this collection is to present a strong mix of poetic subjects
