The Christ Story:

The True Story of Jesus the Christ Thomas Kerrins, 2011-11 In *The True Story of Jesus the Christ* author Thomas Kerrins examines the validity of the Story of Creation To validate the Old Testament narrative of our history that Jesus himself exists only because of Mankind's rebellion toward God starting with Adam Thomas uses as evidence the Flood the trials and tribulations of Abraham Isaac and Jacob and the clues found beneath the sands of the Middle East He also looks at the followers of Jesus to find out who they were and what role they played in the beginning of Christianity Many experts and theologians are quoted such as Dr Juris Zarins who shows through satellite imagery of Iraq Iran and Syria the existence of fossilized rivers pinpointing the possible existence of Eden Also quoted is Henry Rawlinson who discovered the Behistune inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written Furthermore archaeological evidence will be presented to validate such events as the Exodus the Kings of Israel and the invasions from Babylon and Persia Understanding Jesus was to know who he was and what was his mission
