The Healthy Church:

The Healthy Churches' Handbook Robert Warren, 2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church It focuses on the quality of the church's life rather than just the numbers attending

Becoming a Healthy Church Stephen A. Macchia, 2003-11 A healthy church is possible Here are ten traits to help you diagnose the state of your church and start it down the path to improvement

The Healthy Church Bob Whitesel, 2013 Can an ordinary church become an uncommonly healthy church Absolutely But it won't happen automatically Many average ordinary churches allow their health to deteriorate to the point that they no longer have the heart to grow strong again How do some churches fend off this heart deterioration to become uncommonly healthy churches Professor and church growth consultant Bob Whitesel set out to answer just that question How can a church strengthen its heart and what are healthy churches doing differently to remain vibrant flexible and healthy as their culture and community changes around them After two years of research with churches that have not only survived but thrived *The Healthy Church* is Dr Whitesel's answer to that question In addition to practical biblical teaching based on the latest research Whitesel offers seven exercises to help strengthen your church's heart Questions for personal or group study are also included

The Measure of a Healthy Church Gene A. Getz, 2008-09-01 In a world of competing voices about what church is all about Gene Getz with the wisdom God has granted him over decades of ministry provides a solidly grounded and thoroughly biblical approach to how God assesses the strength health and maturity of a local church Previously titled *The Measure of a Church* He addresses The definition of the church The standard of measure by which the church should be defined Is it centered on Christ Does it display the fruit of the Spirit Is it growing in its ability to display faith hope and love How does one measure leadership How does one measure worship What is the one ultimate standard the church is measured by

The Healthy Church Alan Hosch, 2022-04-25 This book takes the reader on a journey of two churches the unhealthy church and the healthy church Divided into two parts the first is the unhealthy church Each chapter defines and identifies what makes a church unhealthy The second part is in contrast to the first part What makes a church healthy

What Is a Healthy Church Member? Thabiti M. Anyabwile, 2024-10-08 Pastor and Author Thabiti M Anyabwile Empowers Readers to Actively Contribute to the Vitality of the Local Church God wants Christians to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth To achieve this all believers should play an active intentional role in the body of Christ But what does it mean to be a healthy church member In this 9Marks guide pastor Thabiti Anyabwile studies God's word to show readers how they can labor for the health of their church Covering 10 essential topics including evangelism discipleship self discipline and prayer

he demonstrates how contributing to the mission of the local church also helps readers experience profound spiritual growth in their own lives *An Essential Guide on Church Membership and Participation* Helps Christians understand their individual roles in building a healthy church Written by Thabiti M Anyabwile Pastor author and council member for the Gospel Coalition From 9Marks Other titles include *What Is a Healthy Church* Why Trust the Bible and Is God Really Sovereign Replaces ISBN 978 1 4335 0212 5 *Growing A Healthy Church* Dann Spader, Gary Mayes, 1993-10-09 Sheep swapping shuffling of the saints Whatever you call it many churches are growing only because Christians transfer from one church to another What's more many churches aren't growing at all The problem according to authors Dann Spader and Gary Mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing That coupled with the fact that these programs minister almost exclusively to Christians leaves little for the non-Christian seeker to get excited about *Growing a Healthy Church* is not a list of trendy new programs for your church agenda It is a journey of rediscovery Spader and Mayes look closely at the four stages of spiritual growth in relation to outreach Using the innovative M level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service This helps eliminate the mistakes of forcing new Christians into service that may overwhelm them or may leave the mature Christian unchallenged Proven successful through SonLife and churches who have used this system this resource will help you focus on the simplicity of Christ's ministry enabling you to build an effective discipling strategy for your church **The Healthy Church** C. Peter Wagner, 1996 Oftentimes as we seek health and growth for our churches we overlook the very things that are our potential downfall In *The Healthy Church* renowned church growth specialist Dr C Peter Wagner examines nine diseases that infect churches and can cause spiritual death If we can detect these diseases asserts Wagner and counteract their negative effects we can grow healthy vibrant Christ-directed churches If we can detect the negative forces that are operating in our churches the positive forces tend to take care of themselves *The Healthy Church* gives you practical advice on how to detect such negative forces and cure the disease before it kills your Body *The Healthy Church* Jason Pfladderer, 2024-03-12 The American church is in trouble it seems that it has forgotten that its mission is to be salt and light in a dark world It has forgotten that the task Jesus gave to the church was to make disciples of all people As the darkness in the culture continues to deepen many churches are embracing the darkness rather than being a beacon of light to a lost and dying world Too many Christians have become used to living in a world that has lost its grasp on moral and spiritual values Has the church forgotten that it is called to pursue holiness preparing to be the spotless bride of Christ We cannot go back to casual and complacent Christianity ever again We cannot go back to just doing church without really making an impact We have to move forward as a healthy church for Christ How do we do that This book will help you understand how we can be the healthy church of Christ that God wants us to be **Healthy Churches in a Sick World** Howard Foltz, 2002-11 **Developing Healthy Churches** Robert Warren, 2012 *Developing Healthy Churches* is an utterly
