Rhiannon raised by Indians and wise to their ways rescued Melissa Dragoman Snakehead Chad Merriman,2004 In 1874 in the Yakima country a man Doc Baker had dreams to make wheatland of the rich plateaus up in the Cascade Mountains to build a railroad through the precipitous passes and to establish mercantile houses banks and homes for the people who would work the ranches and the farms and the businesses He was a big man with big ideas And that made him a prime target for the greedy and the lawless Available only in Western 14 *Cut and Branded* Jack Curtis,2009 **Union Pacific** Zane Grey,2015-11-24 From one of the most beloved Western authors comes an epic historical tale of adventure and romance in the great wilderness Against the epic backdrop of the building of the Union Pacific Railroad across plains and deserts and through the mountains to meet up with the Southern Pacific in Utah comes a sprawling historical tale Warren Neale is a brilliant civil engineer who is constantly confronted with construction problems He is sided by Larry Red King a Texas gunfighter and friend Allie Lee who is heading east from California on a wagon train is the sole survivor of an Indian raid in the Black Hills Neale and a small company of US cavalry find Allie hidden at the scene and nearly out of her mind in terror Al Slingerland a trapper and buffalo hunter has a cabin in a nearby valley and Allie is taken there to recover Benton is the wild town set up overnight to service the vices of the multitude of railroad workers The only law is that which the soldiers impose

but their concern is not really in enforcing law in Benton but in protecting the men laying the tracks and the supply trains In addition to the natural obstacles that impede the building of the Union Pacific workers must contend with the equally great weight of constant graft and corruption against which Larry Red King s guns can afford no protection In this magnificent panorama of constant danger and adventure the many lives involved including ruthless gamblers and women of the evening and the slow but monumental progress of the laying of the track through the wilderness Zane Grey vividly brings to life a lost time and society in a grand novel now published as he had first written it Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *Far as the Eye Can See* Robert Bausch, 2014-12-04 A Union veteran several times over Bobby Hale has repeatedly deserted and re enlisted under different names to earn the enlistment bonus After the civil war he sets his heart on California but only makes it as far as Montana Now after shooting the wrong people he has to evade not only the US Army but also the native population Against the growing conflict of the Great Sioux War Bobby is travelling across the harsh horizon to make it back to Eveline a poker playing wagon owner who has taught him that he does not have to spend his life alone Within miles of the woman he believes can save him Hale s trigger finger lands him in trouble again changing the course of his journey and setting him on a heart stopping adventure across the Great Plains Across ten years and thousands of hard won miles Bobby comes to understand the wilderness through those he encounters the pioneers on the wagon trail who follow the glittering promise of gold a Crow Brave who shows him meaning of real freedom and strength and the militia men still carrying the scars of the recent war whose hatred of Injuns is even stronger than their fear *Far as the Eye Can See* is the story of life in a place where every minute is an engagement in a kind of war of survival and of how two people in the midst of such majesty and violence can manage to find a pathway to their own humanity
