 each Society had its own medium of propogation of its researches in the form of Transactions Proceedings Journals etc a
 need was strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its
 aspects This encouraged Jas Burgess to launch the Indian antiquary in 1872 The scope was in his own words as wide as
 possible incorporating manners and customs arts mythology feasts festivals and rites antiquities and the history of India

Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West Indian antiquary also dealt with local legends folklore proverbs etc In short Indian antiquary was entirely devoted to the study of MAN the Indian in all spheres introduction to facsimile volumes published 1985 The English Catalogue of Books ...: 1801-1836.
