The Mitchells:

The Art of The Mitchells vs. The Machines Ramin Zahed,2021-05-18 COVER NOT FINAL The official behind the scenes art book for Sony Pictures Animation's feature film *The Mitchells vs The Machines* *The Mitchells vs The Machines* is a comedy about an everyday family's struggle to relate while technology rises up around the world. When Katie Mitchell, a creative outsider, is accepted into the film school of her dreams, her plans to meet her people at college are upended when her nature-loving dad Rick determines the whole family should drive Katie to school together and bond as a family one last time. Katie and Rick are joined by the rest of the family, including Katie's wildly positive mom Linda, her quirky little brother Aaron, and the family's delightfully chubby pug Monchi, for the ultimate family road trip. Suddenly the Mitchells' plans are interrupted by a tech uprising. All around the world, the electronic devices people love, from phones to appliances, to an innovative new line of personal robots decide it's time to take over. With the help of two friendly, malfunctioning robots, the Mitchells will have to get past their problems and work together to save each other and the world. *The Art of The Mitchells vs The Machines* gives insight into how the filmmakers were able to bring this fresh new vision to the screen through concept art sketches and early character designs, accompanied by exclusive commentary from director/co-writer Michael Rianda and co-director/co-writer Jeff Rowe, alumni of the team behind Emmy Award-winning *Gravity Falls* and producers Phil Lord and Christopher Miller, the innovative and creative minds behind *The Lego Movie* and the Academy Award-winning *Spider-Man: Into the Spider-Verse*.

The Mitchells: Five for Victory Hilda Van Stockum,1994-08-01 [Movie Magic in the Classroom](#) Amber Chandler,2022-10-21 Movies belong in the curriculum and not just the day before a holiday. This book by award-winning educator Amber Chandler shows why films are so important for teaching social emotional learning and critical thinking. She provides complete guides to ten current age-appropriate movies; each guide features a pre-viewing activity, a stop-and-chat guide for you so you know when to pause for discussion, a student notes sheet, and discussion questions with varying formats. The book also offers handy tools such as blank templates and permissions forms for communication with parents. Every movie addresses some aspects of CASEL's SEL Competencies: Self Awareness, Self Management, Responsible Decision Making, Relationship Skills, and Social Awareness. Amber Chandler does all the prep work for you so you can lean into the movie experience and share this opportunity with your students, putting movie magic to work.

These include setting a vision, communicating it clearly, and motivating others to follow their lead. But when these skills are used by unconscionable people to satisfy greed, how can the average person recognize that foul play is afoot? *Reports of Cases Argued and Determined in the Supreme Court of Judicature of the State of Indiana* Indiana.
