The Moving Finger:

The Moving Finger Agatha Christie, 1970 Suicide and murder bring Miss Marple to the vicarage in a small Yorkshire village Novelist **The Moving Finger - Pena Beracun** Agatha Christie, 2014-01-09 Kematian menyerang secara diam diam Aku ingat surat itu tiba waktu kami sedang sarapan Pengirimnya pasti dari desa ini dan alamatnya diketik Aku membuka surat itu sebelum dua surat lain yang berstempel pos London Di dalamnya terdapat sehelai kertas yang ditempeli kata kata dan huruf huruf cetak yang telah digunting dari buku Sesaat aku menatap kata kata itu tanpa memahaminya Kemudian napasku tersekut Mula mula surat surat kaleng yang keji itu hanya menyebabkan rasa takut Tapi kemudian surat surat itu menyebabkan kematian Pertanyaannya adalah siapa yang akan menjadi korban berikutnya **The Moving Finger** E. F. Hughes, 2002 Mark Tuesday insurance broker and owner of the Tuesday Agency is brooding in his office after hours about his failing marriage with his wife Marie when he receives a phone call from the owner of a large trucking company and new client of the agency informing him that one of his trucks has crashed and the driver has been killed The owner Ben Wozniak asks him to go to the scene of the crash and investigate the scene At the scene he discovers there had been two witnesses one of whom a man named William Closer had already left and a young woman named Elise Young who he realizes is his daughter's school teacher He feels an immediate and disturbing attraction for her and after examining the scene and recognizing that the crash occurred under questionable circumstances persuades her to let him drive her home But before leaving with her he also speaks with two sheriff deputies present at the scene both of whom appear strange in their behaviour toward him On the way back to Glen Park where he and Elise Young both live he convinces her to stop for a drink with him at an elegant restaurant called The Sanctuary where he also knows the owner Jim Sloan After introducing her to Jim and asking him to keep her company he calls Ben to advise him of what he had observed at the crash site and is surprised when Ben now suggests that the driver may have been drugged Dismissing the suggestion as outlandish he returns to Elise and now suggests they have dinner She agrees and during dinner and afterward on the drive home he again feels and resists a compulsion to tell her about himself something which he has always managed to avoid in the past with everyone he has ever known even his parents and his wife He proceeds with the investigation of the fatal accident which becomes complicated by the disappearance of his wife and his involvement with Elise As he uncovers the facts surrounding the driver's death it soon becomes evident that it was not an accident but rather the result of the latest in a string of hijackings staged to cover up a drug smuggling operation The drugs are being smuggled into the country in cases of exotic gourmet foods and distributed by a company whose traffic manager is William Closter the other witness to the accident Closter subsequently commits suicide but it soon becomes evident that his death too was murder Based on information furnished by Mrs Closter and a young woman named Wanda he is able to establish the complicity of those involved in the smuggling hijacking operation However his success in the investigation leads to the death of his wife and the near fatal shooting of himself

Throughout he struggles to reconcile the present with the past Having led a solitary introspective and almost totally selfish existence before being drawn into the investigation he is at first confused and dismayed by the feelings aroused in him by Elise But overcoming his initial reluctance he finds he is able to express to her all the emotion he has kept bottled up within himself since childhood It also leads to reconciliation with his mother and a better understanding of the causes of the failure of his marriage to Marie But it is not until a final confrontation with the leader of the smuggling hijacking operation that he fully understands the real meaning of the quotation from the Rubiyat of Omar Khayyam The moving finger writes and having writ moves on nor all your Piety nor Wit shall lure it back to cancel half a line nor all your tears wash out a word of it **The Moving Finger (Marple, Book 3)** Agatha Christie,2010-10-14 A malicious letterA tragic deathA village filled with suspects
