Once students have completed their project, have them present their project.

Students will begin their day with a quick 10 minute "Build and Design" session. This will give students time to work on their own projects. Students will then move on to a "Design and Plan" session, learning about engineering. Students will work with their group to determine what needs to be built and how to build it. Students will then move on to a "Build and Create" session, using their tools to build their projects. Students will then move on to a "Design and Test" session, where they will test their projects. Students will then move on to a "Build and Improve" session, where they will make changes to their projects. Students will then move on to a "Design and Share" session, where they will present their projects to the class.
