Teens And Violence:

Teen Dating Violence Susan Mary Sanders, 2003 Using survey and interview data from approximately five hundred female high school juniors this book measures the incidence of dating violence among teenage females and examines the needs of minors and also provides checklists of abuser characteristics

Adolescent Violence in the Home Gregory Routt, Lily Anderson, 2014-08-07 Adolescent Violence in the Home examines a form of violence that has a profound impact on families but is often overlooked and frequently misunderstood teen aggression and violence toward members of their family especially parents Violence in adolescents is often seen as the result of a mental health diagnosis delinquency or as a response to dysfunctional parenting and though understanding a youth's mental health status or a parenting style can be helpful complete focus on either is misplaced Adolescent Violence in the Home uses a restorative framework developed by the authors and in use in court systems and organizations around the world to situate violent behaviors in the context of power and the intergenerational cycle of violence Readers will come away from this book with a profound understanding of the social and individual factors that lead youth to use violence and how adolescent violence affects parents and they'll also learn about a variety of interventions that specifically address teen violence against parents

Guns, Violence, and Teens Vic Cox, 1997 America's youth are being drafted into a deadly game More young people are using guns than ever before Vic Cox presents readers with an honest and balanced outlook at both sides of the gun control issue and provides a clear picture of the harsh reality affecting young people today Includes chapter notes resource list and further reading list

Kids, Cops and Communities Marcia R. Chaiken, 1999-02 This report is designed to help law enforcement administrators and officers understand and institute a strategy to help prevent violence community oriented policing services carried out in collaboration with youth serving organizations Popular police prevention approaches such as DARE have helped prepare police officers to work hand in hand in a variety of ways with local affiliates of national youth serving organizations In a growing number of cities police are working with youth groups and finding that violence involving youth is rapidly decreasing The research involved a survey of 579 affiliates of 7 national youth serving organizations

School Crisis Case Studies Helen M. Sharp, 2009-09-15 This book offers readers twenty crisis case studies from the inside of school buildings The author, a licensed administrator and former teacher, presents salient situations and incidents that unfortunately are almost common occurrences These might include disaffected pupils intruders in a building a school's potentially negative atmosphere skills learning vs project learning and girls fighting All cases are realistic timely and thought provoking supplemented with a series of discussion questions for a school staff or safety group or a university student enrolled in an administrative course of study Rather than a theoretical approach or one based on scientific investigation or a specific model the author describes events and circumstances that are present and problematic in many schools here and abroad Becoming familiar with potential solutions is as important as pinpointing available sources in one's own school district School Crisis Case Studies provides
