Teens Pray:

Prayer Changes Teens Janet Holm McHenry, 2011-01-05 Give control back to God and get back to what you enjoy most loving your teen Parenting teenagers isn't easy No matter how much we love our kids and want to protect them we cannot control them or their circumstances But God is in control and particularly when we trust him he can take care of our kids far better than we ever could So what else can we do We can pray In fact prayer should be our first response because prayer is the most powerful tool at a parent's disposal That is what this book is about releasing our teens to God's control learning to pray specifically and with confidence for their every need and recovering the sense of humor that will help us face the situations that now cause us so much stress This book includes lighthearted stories designed to help take the edge off of parenting your teenager valuable insights on more than twenty areas of conflict you are likely to experience with your teen from language grades and clothing to drugs drinking and smoking specific prayer strategies to help you make a difference in your teen's life perspectives on the hot issues from real teens what the Bible has to say on each subject tips from parenting experts specific prayers to get you started discussion starters to help open up dialogue with your teen Whether parents have never prayed for their teens have prayed sporadically or have prayed every day now is the time to pray even more and in whole new ways and Prayer Changes Teens will show them how

Soul Searching : The Religious and Spiritual Lives of American Teenagers Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame, Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill

USA, 2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they

engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

God's Design for the Highly Healthy Teen Walter L. Larimore, 2004-12-28 God's design for the highly healthy life provides a powerful balance of physical emotional relational and spiritual health even for the teen years Teens face choices every day that either enhance or threaten their whole health At school through the media and friends teens are hit with influences they have never faced before Your teen needs your help now more than ever How can you coach your teen through the threats of drugs alcohol addiction and sexually transmitted diseases What can you do about nutrition eating disorders self image and the frightening rise of obesity How does a parent respond to tattoos piercings and internet porn Is there a way to navigate the pressures of academics sports and over commitment to find the healthy balance of stimulation and rest What physical changes are normal When is it time to seek medical care How do you find the best doctor How does a parent ease fears and adjustments respect privacy and intervene when needed Good news The doctor is in Dr Walt Larimore has seen it all as a family physician a dad a medical journalist and now your doctor on call He equips you to powerfully protect and enhance your teen's health during these critical and often scary teen years **ASSESS YOUR TEEN'S HEALTH** Use the simple 4 Wheels tool to identify the weakest spokes in your teen's health **FIND THE SPOKE THAT'S BROKE** Zero in first where your teen's health is most out of balance Discover timeless principles coupled with late breaking research and answers to your questions **BENEFIT FROM IMMEDIATE ACTION** Follow practical achievable advice resulting in positive changes in your teen's life Discover how your teen can experience God's Design for the Highly Healthy Life
