**I Am the Way** Philip Wesley Comfort, 2001-12-17 The Gospel of John follows Jesus on a journey that will take the disciples to God Herein is the pattern for every pilgrim In this textual and literary study Philip Wesley Comfort traces the journey motif around which John organized his account of Jesus life death resurrection and final days with his disciples When Jesus says in John 14 6 I am the way and the truth and the life modern disciples can see an immediate reference to his own journey from heaven to earth and back to heaven But that message has important implications for us as well Jesus did not return alone to the Father All believers went with him While Comfort has written an in depth literary study the relevance of his theme for Christian living makes I Am the Way a sound basis for reflective preaching teaching and devotional reading
