*Anxious Pleasures* Jonathan Hall, 1995 The following sections deal with such themes as the relationship of wit to political and sexual anxiety the connection of the mobility of signs to an elusive interiority of the subject and the paradoxically threatening and redemptive mobility of women in relationship to patriarchal control

*Shakespeare's True Life* James Walter, 1896

*Shakespeare's Domestic Economies* Natasha Korda, 2012-03-07 Shakespeare s Domestic Economies explores representations of female subjectivity in Shakespearean drama from a refreshingly new perspective situating The Taming of the Shrew The Merry Wives of Windsor Othello and Measure for Measure in relation to early modern England s nascent consumer culture and competing conceptions of property Drawing evidence from legal documents economic treatises domestic manuals marriage sermons household inventories and wills to explore the realities and dramatic representations of women s domestic roles Natasha Korda departs from traditional accounts of the commodification of women which maintain that throughout history women have been trafficked as passive objects of exchange between men In the early modern period Korda demonstrates as newly available market goods began to infiltrate households at every level of society women emerged as never before as the keepers of household properties With the rise of consumer culture she contends the housewife s managerial function

assumed a new form becoming increasingly centered around caring for the objects of everyday life objects she was charged with keeping as if they were her own in spite of the legal strictures governing women s property rights Korda deftly shows how their positions in a complex and changing social formation allowed women to exert considerable control within the household domain and in some areas to thwart the rule of fathers and husbands      **Shakespeare's Domestic Tragedies** Emma Whipday,2019-01-03 Reassess the relationship between Shakespeare s Hamlet Othello Macbeth and the emerging genre of domestic tragedy by other early modern playwrights      **The Literary World** ,1881      **Shakespeare's Practical Jokes** David Ellis,2007 Female victims and female jokers The privileges of rank Falstaff The ideal victim How far can you go The triumph over shame Practical jokes and evil practices      *Notes on Shakespeare's Play of King Richard III.* Thomas Duff Barnett,1895      Shakespeareana; a critical and contemporary review of Shakespearean literature ,1888      Knowledge in English Victoria Elliott,2020-12-28 Focusing on a key area of debate within the world of secondary English the knowledge based curriculum this book explores in detail the question of knowledge in the teaching of English in secondary schools drawing on specific concrete cases and a range of academic theories Knowledge in English also investigates how to teach both facts and skills through the required texts to produce a balanced educational experience Elliott brings together classic texts with contemporary knowledge and viewpoints to critically examine teaching in the English literature classroom and situates them within the broader cultural and political context The book includes discussions on race and gender in texts Shakespeare and his influence facts and emotions in poetry and reading experiences Knowledge in English is a foundational and accessible guide for researchers practitioners teacher educators and teachers around the world It is a valuable resource for those involved in the English curriculum to keep the subject relevant and useful to students in the contemporary classroom      The Athenaeum ,1889      *Shakespeareana* ,1893      **Shakespeare's Comedies** Cliffs Notes,1999-02 Finally Summaries and Commentaries for All of Shakespeare s comedies are available in one easy to access volume The Comedy of Errors probably Shakespeare s earliest work features a plot both romantic and melodramatic juggling mistaken identities and the confusion of twins The Two Gentlemen of Verona is peppered with mercurial motivations and bittersweet romance playfully laced with comic resolution Love s Labour s Lost one of Shakespeare s most original plots uses irony and satire to gently mock young lovers inviting us to laugh at our own youthful follies A Midsummer Night s Dream features fairies playing magical havoc with woeful lovers until all is resolved with wedding celebrations and broad comic entertainment by rustic well meaning bumpkins The Merchant of Venice more serious than comedic investigates various attitudes toward money and wealth The Taming of the Shrew relying heavily on physical appearance and visual effect uses mistaken identities puns and a play within a play Whether the shrew is actually transformed through a cunning use of psychology is still debatable Much Ado About Nothing a witty battle of the sexes in more earthy and naturalistic language than some of Shakespeare s other romantic comedies concludes with dancing and a celebration of blissful wedded love As You Like It contains the evergreen

Forest of Arden ripe for satiric caricaturing of shepherds philosophers and the dreaded curse of banishment The Merry Wives of Windsor one of Shakespeare s most frivolous stage offerings gives a delightful glimpse of the England of his own time and features the amoral Sir John Falstaff one of the playwright s comedic masterpieces Twelfth Night revolves around twins separated by a shipwreck and the irrationality of young lovers a favorite theme of Shakespeare the comic subplot poking fun at gloomy conservative types adds welcome panache Troilus and Cressida usually labeled a tragicomedy because of its theme of moral corruption and disintegration contains comedy that is more wry than bawdy or clever All s Well That Ends Well like Shakespeare s other dark comedies treats in typical fashion the standard romantic theme of love triumphant Measure for Measure uses disguise and comedy to lighten the theme of moral decay Pericles represents Shakespeare s unique blend of comedy and tragedy Cymbeline showcases a panorama of popular romantic motifs and themes The Winter s Tale one of Shakespeare s more naturalistic pieces is rich and romantic and concludes with marriage and the promise of happiness The Tempest is a visual feast of magic and theatrical spectacle emphasizing resolution after deception It is commonly believed to be the last play that Shakespeare wrote
