rough draft of the Declaration of Independence In substance it mostly resembled the final document with an emphasis on natural rights and self government Throughout the editing process it was reduced by nearly a quarter through the removal of sentences and redundancies Congress approved of the Declaration of Independence on July 2 1776 but returned it to Adams and Jefferson for some fine tuning before giving it their final approval two days later Though Independence Day is celebrated on July 4 Adams wrote to Abigail on July 3 1776 in the belief that it would be July 2 that would be remembered as the important day The Declaration of Independence The History and Legacy of America s Founding Document chronicles the history that brought about America s formal break from Great Britain Along with pictures and a bibliography you will learn about the Declaration of Independence like never before in no time at all **The Declaration of Independence** Hal Marcovitz,2014-11-17 The issue of slavery had divided the nation for decades but problems came to a head after the election of Abraham Lincoln as president in 1860 Fearing that Lincoln would attempt to abolish slavery the legislatures of 11 southern states voted to withdraw from the United States and create a new nation the Confederate States of America This would result in four bloody years of Civil War in which more than 600 000 Americans were killed The Confederacy adopted several flags between 1861 and 1865 the best known today is the battle flag which featured a blue saltire cross on a red background To some people the Confederate flag is a proud symbol of Southern heritage and bravery Others however view the Confederate flag as a symbol that represents the enslavement and oppression of African Americans As a result the Confederate flag is among the most controversial of American symbols **The Declaration of Independence** R.
