The Devil Gun

Ralph Cotton

The Devil Gun:

The Devil Gun John Thomas Edson, 1966 **The devil gun** William Edward Syers, 1978 *The Devil Gun* William Edward Syers, 1976 **A Reckoning on the Drum** Thomas J. Walsh MD, 2019-06-21 Most great men who change history for the better or the worst live a reasonable life span We know how their lives turn out There is little room for speculation about what they might have done There are very few persons who make their mark early in their careers and then die This leaves all of us speculating what the rest of their life might have been General George Armstrong Custer was such a man He was famous in his twenties He was dead in his late thirties What would the rest of his life been like if he had lived Who would he have met History continues whether anyone lives or dies However their living could have changed history Who would Custer have met and what could he have influenced He would certainly have created changes in the military However before his death he already was a national figure in the political arena Would his career ended abruptly after the Little Big Horn battle unless he won it which he did not Despite a poor performance would he still be a national hero Could he still have a great career **Blood Lands** Ralph Cotton, 2018-10-23 She moved her sights over to the parson then to Evans then to Muller They fit the description Reese had given her before he died These were the ones if by some fluke they weren't her attackers her father's killers too bad she thought If that was the case they had simply picked the wrong day to come calling Her sights homed onto Muller the one farthest away the one most likely to get atop his horse and make a run for it She rested the sights there and waited breathing slowly calmly Strange she thought how not long ago she had looked for the slightest reason not to kill these men these men who had violated her who had taken her father's life and in that sense destroyed hers But that had changed Now if they fit the description or matched the names or came close to doing either she wanted them dead The killing had begun The quicker they were dead the sooner she could live in a home of her own something she'd never had And more than that she could hold her head up and live there in peace like regular everyday folks something she'd never known A tear glistened in her eye but there was no time to wipe it away She wouldn't let it affect her aim Preview of Ralph Cotton's Wolf Valley at the end of this book **BLAME RANE** RENE' O'SHEA, 2012-02-01 **BLAME RANE** was a quiet college student until a tragic fire shattered her world To escape poverty Blame exposes herself to drugs domestic violence prostitution and incarceration She moves from welfare role to employment role as a single parent from the grimy streets of D C to plush condos in VA to rural NC where she discovers the meaning of self empowerment and unconditional love Three birds tail her every move This crow cardinal and pigeon were an African American a Native American and a Caucasian woman in life They are the blood ancestors of Blame Rane The birds honestly tell the stories of their lives taking us on an epic tour of American history Blame encounters joy jealousy love addiction friendship disease and opportunity She battles classism racism and materialism seizing passion dignity and wisdom along the way It's easy to blame the rain but at some point a woman learns to take responsibility for her life Will Blame *The Bright Falls Mysteries Saga*
