The Difficult Sayings Of Jesus:

The Difficult Sayings of Jesus William Powell Tuck,2018 [The Difficult Sayings of Jesus](#) William Neil,1978 Hard sayings of Jesus Christ William Leighton Grane,1899 **Taught By God** Daniel Fanous,2020-08-11 Taught by God grapples with the difficult sayings of Christ The author uses all the resources of the patristic tradition and modern biblical scholarship to put these sayings in a clearer light If we are able to delve into the deeper meaning of these hard sayings then we will truly be taught by God

Hard Sayings of Jesus F. F. Bruce,2025-08-28 Like his original hearers many people today find Jesus sayings hard Some sayings are hard because they are difficult to understand others because the demands they make on us are only too clear F F Bruce examines seventy of the hard sayings of Jesus to clear away the cultural and historical difficulties which keep us from grappling with the real challenge of Jesus message Evident in each chapter is Bruce s keen evangelical scholarship and pastoral insight

Preaching the Hard Sayings of Jesus John T. Carroll,James R. Carroll,1995-09-01 Challenge has routinely been associated with the message of Jesus and rightly so But beyond the challenging words of Jesus come the hard sayings these persist in shaking us out of our easy chairs of faith and stir us to reexamine the gospel in all its glory the glory of the Crucified One When it comes to stirring others to hear that hard message of the Cross and to guiding the faithful in understanding the same no one could ask for a better set of guides than James R Carroll and his son John T Carroll This blend of seasoned ministerial experience and solid scholarly talents yields a rich interpretation that is simultaneously down to earth and yet original and insightful

More Difficult Sayings of Jesus William Neil,Stephen Travis,1982 **More difficult sayings of Jesus** William Neil,1975 *Hard Sayings of Jesus Christ* William Leighton Grane,2015-06-30 Excerpt from Hard Sayings of Jesus Christ A Study in the Mind and Method of the Master In a former

volume the present writer has endeavoured to define the principles upon which a reasonable faith in the Inspiration of Holy Scripture may securely rest As one of these principles it was recognised that a difference of weight and value attaches to different parts of the Library we call the Bible Now one of these parts is plainly of paramount importance For few will fail to find the very heart and soul of the biblical body in the words of The Word of God Himself By this the core of Christianity its claim on the hearts and lives of men must finally be judged And upon their acceptance or rejection of this the future of the Faith must eventually depend About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Hard Sayings of Jesus Christ William Leighton Grane,2018-03 **Hard Sayings of Jesus Christ** William Leighton Grane,2018-07-05 In a former volume the

present writer has endeavoured to define the principles upon which a reasonable faith in the Inspiration of Holy Scripture may securely rest As one of these principles it was recognised that a difference of weight and value attaches to different parts of the Library we call the Bible Now one of these parts is plainly of paramount importance For few will fail to find the very heart and soul of the biblical body in the words of The Word of God Himself By this the core of Christianity its claim on the hearts and lives of men must finally be judged But in order to judge it is necessary to understand Therefore before all things it seems necessary to set the Words of Jesus in their own proper historical light in order to arrive at the meaning they conveyed to those who first heard them for this alone can safely be accounted the primary meaning of their Speaker Amid much unbridled controversy on matters intrinsically trivial it is at least a hopeful sign in the religious outlook of to day that the thoughtful of every school seem more than ever disposed to turn for guidance and relief to a study of the Mind of Christ And surely the Master s Message is for all To the disciples of Reason it is He Who cries Which of you convicteth Me of sin If I say Truth why do ye not believe Me To the bewildered seekers after Authority it is He Who declares Heaven and earth shall pass away but My words shall not pass away And this the most astounding claim imaginable on the lips of an outcast Teacher the Centuries have justified so justified one would have thought as clearly to indicate even to bewildered seekers the true seat of Authority in matters of Religion Among the authoritative and reason compelling Words of Jesus Christ however some undoubtedly cause trouble to thinking minds Appearing on a shallow acquaintance either impracticable or reasonless they not only fail of authority but sow the seeds of doubt The object therefore of this book is the lessening of such perplexities by setting forth the principles which seem to elucidate the Teaching of the Master It is an attempt to construe the meaning of some of the more striking of Christ s hard sayings Others here untouched might no doubt easily be cited But the aim of the writer has not been to exhaust the verbal difficulties in the recorded utterances of our Lord He has rather sought to examine the Master s method and to illustrate its underlying principles by a number of examples perhaps sufficient to enable the reader to apply those principles in solving other problems for himself **The Hard Sayings of Jesus** Frederick Fyvie Bruce, 1983 Like his original hearers many people today find Jesus sayings hard Some sayings are hard because they are difficult to understand others because the demands they make on us are only too clear F F Bruce examines seventy of the hard sayings of Jesus to clear away the cultural and historical difficulties which keep us from grappling with the real challenge of Jesus message Evident in each chapter is Bruce s keen evangelical scholarship and pastoral insight What Did Jesus Mean? Ron Rhodes, 2003-10-21 Why did Jesus say He would return soon when He hasn t Why did Jesus curse the fig tree and cause it to wither Can faith really move a mountain Although much of the Bible is straightforward Christians and seekers alike are perplexed by some of Jesus puzzling statements Noted Bible teacher Ron Rhodes tackles difficult passages to help you get the most out of Christ s teachings and understand what Jesus meant when He said Take up your cross and follow Me Let the dead bury their own dead If your eye causes you to sin pluck it out Blasphemy against the Spirit will not be

forgivenIn his engaging easy to read style Rhodes provides solid biblical cultural and historical research to help you discover why Jesus said what He did 2000 years ago These new insights will help you capture the heart of Jesus message and draw you closer to Him **Preaching the Hard Sayings of Jesus** John T. Carroll,James R. Carroll,1996 When it comes to stirring others to hear that hard message of the Cross and to guiding the faithful in understanding the same James R Carroll and his son John T Carroll provide a blend of seasoned ministerial experience and solid scholarly talents that yields a rich interpretation that is down to earth yet original and insightful This is a book to be savored by preachers and teachers of all denominations Donald Senior C P Catholic Theological Union *Hard Sayings of Jesus Christ* William Leighton Grane,2019
