Rama Rao Pappu, 1987 Contributed articles on the doctrine of Karma religious metaphysical moral and comparative **Cognising Asian Societies Through Psychological Underpinnings** Aradhana Shukla, Anubhuti Dubey, Narendra Singh Thagunna, 2022-01-01 Asia is the place of cultural diversity and this variation in culture can be found in each nation and every walk of life This may be noticed in terms of thought dialect behaviour parameters and so many other attributes There are about forty eight countries in Asia and they are at one side of the coin similar in some respects and different in others on the other side of the coin But there is an affinity that has tied them and this common thread has linked all in one garland This volume aims to collect the articles whether empirical or theoretical to cognize Asian societies through psychological underpinning The chapters presented here reveal various shades of Asian societies We hope that they will help the researchers and social science professionals to change and extend their views regarding cultural studies In this way this volume may add some new visions and directions to those who have a deep quench to know something new in cultural psychology The Nature of Things Physical and Spiritual Adi Istudor, 2024-11-04 The Nature of Things Physical and Spiritual is a philosophical treatise on the foundations of humanity our position in the universe and the world around us Combining history astronomy and religious doctrine from Hinduism Buddhism Judaism Islam and Christianity The Nature of Things provides tangible explanations for phenomena unseen and delves into the most pressing of metaphysical queries Where did we humans come from How was our universe made Is there life after death How can we be happy with our life here on Earth For those who often find themselves staring up into the stars and daydreaming about the creation of the cosmos for those who love to skip past small talk and dive into the deep conversation right away The Nature of Things provides a brain tingling and well researched exploration About the Author Born in Timisoara Romania Adi Istudor is a trained and experienced yogi He currently resides in Long Beach California **Buddhism and Society** Melford E.
