## **The Doctor Within:**

**Awaken the Doctor from Within** Dr. Raymond Rickards, 2022-09-07 This book will reestablish how you look at health happiness and fulfillment. Raymond Rickards draws on his decades of experience as a chiropractor seeing thousands of patients with a variety of ailments to share insights and strategies to help you move toward vibrant health. In straightforward language and without any additional sales pitch he provides a blueprint that will help you free yourself from the rut of sickness and disease find a more uplifting approach to health and well being. Develop habits that will help you attain optimum health. The author also shares his personal story of growing up in Los Angeles where he was indoctrinated with mainstream medical thinking and religious dogma. While it was not easy to find the courage to explore diverse ways of thinking it changed his life paving the way for him to have more vigor and health at age sixty nine than most thirty year old men. Get practical proven ways to bolster your health and move toward a vibrant life with the lessons and insights in Awaken the Doctor from Within.

Clare Wenger, 2021-11-07 Much previous research on elderly people had focused on their problems and had created an impression of a group of isolated individuals suffering from almost insurmountable social difficulties Originally published in 1984 this study of the everyday lives of elderly people and the sources of help and care available to them in the community at

the time made a special contribution by showing how they can and do make creative adaptations to the challenge of age and by increasing our understanding of their informal networks of support The author looks not only at the role and availability of family but also of friends neighbours voluntary associations and statutory services and the composite networks of support which these contacts form noting differences related to gender class and household composition The detailed picture that she presents would be invaluable to those teachers students and practitioners of social work concerned with the development of more community based patterns of social work as recommended by the Barclay Report and to policy makers who needed to understand how sometimes strained natural support systems may be reinforced and maintained The book also extends our knowledge of the normal lives of elderly people and will be of general interest to social gerontologists and network theorists in sociology and anthropology     *Optimal Treatment for Children with Autism and Other Neuropsychiatric Conditions* Dr.
