The Doctrine Of Salvation:

The Doctrine of Salvation Charles Horne, 2021-03-15 Is anything more important than understanding eternal salvation When it comes down to it all human beings can be divided into two categories the saved and the unsaved Every person longs to find the path to eternal life Many different paths are tried But what does the Word of God have to say about it In The Doctrine of Salvation Charles Horne explains the basics of this important biblical doctrine Why is there a need for salvation What is its basis What are its results How can you be assured of it And how does salvation culminate in eternal life Using clear and precise language Dr Horne lays out the biblical evidence The doctrine of salvation is central to the message of Scripture he writes From Genesis 3 to Revelation 22 we witness the unfolding drama of redemption May this book open your eyes to the greatest story ever told The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth **The Cross and Salvation (Hardcover)** Bruce Demarest, 2006-08-01 With America's confidence in the Bible at an all time low and the strength of her spiritual convictions waning it is essential for Christians especially Christian leaders to be well grounded in biblical theology To have a clear and comprehensive understanding of the key doctrines of evangelicalism In response professor and award winning author Bruce Demarest has made plain God's glorious plan of salvation his provision for the human dilemma through Christ's work on the cross and the application of saving grace to unbelievers Demarest's unique approach defines each topic identifies its most pressing issues examines the ways in which the doctrine has been understood historically and interprets the Bible's revelation The result is a

clear and carefully constructed doctrinal statement that you can defend live out and communicate to others This singular comprehensive treatment of one of Christianity s essential doctrines gives definitive Bible based answers about salvation and the cross and about related theological issues such as grace and regeneration It s perfect for clarifying your theology and gaining deep understanding of this foundational theme Part of the Foundations of Evangelical Theology series *The Doctrine of Salvation, Truth and Good Works, Extracted from the Homilies of the Church of England. [By J. Wesley.] The Twelfth Edition* Church of England,1767 **The Doctrine of Salvation from Sin, Explained and Defined, Etc** John Humphrey NOYES,1843 **EXPLAINING THE DOCTRINE OF SALVATION** Edward D. eternal death whereby we are permanently separated from our heavenly creator This book seeks to address a series of key doctrinal issues with the intention of providing the reader with a consistent understanding of what the Scriptures teach regarding our eternal salvation and the role that we all must play in God s redemptive plan **The Doctrine of Salvation**

Soteriology: Tommy Rodriguez,2017-11-15 THIS SINGLE PERSPECTIVE ONENESS THEOLOGICAL Argument was systematically written with the sole purpose of providing Biblical truth better understanding and clarity as well as Divine revelation to all individuals with regard to an extremely misunderstood subject matter Soteriology The Doctrine of Salvation Now in achieving this objective I have chosen to utilize a simple but yet in depth approach of the Word of God In short several non contradictory non argumentative Scriptures have been utilized in order to provide whatever is useful and necessary in achieving complete understanding of this grossly misunderstood subject matter With this said I would like to submit the following thesis statement as the central assertion of this theological paper Despite what Christianity in general affirms Water baptism in Jesus name as well as Fire baptism with the gift of The Holy Ghost are both essential for the process of Sanctification leading to complete Biblical salvation Glorification The general presupposition then rests solely upon the following Claim Christianity is the faith doctrine system and practice of the religion originally established by Jesus Christ on The Day of Pentecost in A D 33 that has been carried over via Continuationism False doctrine then is to be considered to hold to any other form of faith doctrine system and practice that is contrary to Oneness Apostolic Pentecostal Christianity With this said then upon further examination of Scripture the viewpoint of Secular Christianity so called Orthodoxy Christianity

Catholicism The Church of Jesus Christ of Latter day Saints Jehovah s Witnesses etc is proven to be laden with numerous Scriptural inconsistencies Now in doing my own Biblical research I have come to find much error that has been taught within other religious denominations as being truth unfortunately Now contrary to standard expository writing guidelines it is my professional opinion that this has occurred due to a lack of Biblical understanding as well as faulty Biblical research on the part of the religious leaders of these religions causing sadly enough improper hermeneutical and exegetical doctrinal teaching regarding The Plan of Salvation With this said this Single perspective Oneness Theological Argument will be presented from a purely Apostolic Doctrinal perspective God s perspective As you carefully read and examine this Oneness Theological Thesis I ask that you sincerely pray seeking after The Wisdom of God asking God to reveal His truth and to provide complete understanding of this profound subject matter But most importantly to reveal the Godhead and the Divine ordinance as well as the spiritual significance of Water baptism in Jesus name and Fire baptism with the gift of The Holy Ghost with the initial evidence of speaking in other tongues as the Spirit gives the utterance as being the true Biblical stand regarding being Born again as clearly described within John 3 3 5 and Acts 2 38

The Doctrine of Salvation and Free Agency with Dispensational Truths Roger Holmes,2004-11 This book looks at the doctrine of salvation in the perspective of history and in its order The issue today as in ages past is mans position relative to a sovereign God The underlying fact is that regardless of the age or the covenant given by God to man it has had no real impact on the free agency of man whether in reference to Adamss innocence or his consciousness The final and pinnacle factor brought forth in this study is to place free agency in its proper place as the graceful act of God and not in retrospect of any will or nature of man This has been a catastrophic error in Bible doctrine hermeneutics and in Christian belief today We must learn to respect the Word of God for what it says and not for what we want it to say

5 Steps to Salvation Gregory Selkirk,2020-01-24 1 Faith 2 Repentance 3 Water Baptism 4 Spirit Infilling 5 Continuance Contrary to the tradition and gutted gospel of Christio religious easy believers the doctrine of salvation introduced with the birth of the church in Jerusalem Israel in the year 33 AD has never changed The Bible s book of Acts records the early history of God s one and only church whose doctrines and teaching remain the basis for New Testament salvation as we are built upon the foundation of the apostles and prophets Jesus Christ himself being the chief corner stone Eph 2 20 Though the world and human society seem to be ever awash in a turbulent sea of change and upheaval God s word has not does not and will not change This fact providing an anchor of comfort and stability to many also provides a very inconvenient obstacle to others

who as we have been forewarned would attempt to pervert the gospel of Christ Gal 1 7 In 5 Steps to Salvation analysis is applied to the teachings of Jesus and his apostles specifically with regard to the New Testament doctrine of salvation Whether this book serves simply as a refresher course for the reader or introduces new biblical perspectives may the truth of God's word be a lamp unto your feet and a light unto your path **The Doctrine of Salvation** Stephen Merrill,1980-01-01

Swedenborg and the doctrines of the new Church Rudolph Leonhard Tafel,1889 The doctrine of salvation Rienk Bouke Kuiper,195? **The Hope of Salvation** Harding Hedgpeth,2008-04 Today many churches teach that once a person believes and trusts in Jesus Christ their Salvation is assured They can know with certainty that they will go to heaven no matter what The churches further teach that the individual has no part to play in their salvation God does it all These teachings are not Biblical The Bible teaches that no person can know their ultimate destiny The best one can do is to live a life of demonstrated faith and hope they will make it to heaven Indeed a person does have a part to play in their destiny and by their choices they can stay on the pathway that leads to salvation or they can depart from it This book clarifies the Biblical path to Salvation articulates a Biblical argument that refutes the assurance of salvation doctrine and reveals the spiritual dangers that are produced by this teaching Harding Hedgpeth is a professional test pilot and the holder of 9 aviation world records set in the B 1 Bomber He has no formal theological training He does not belong to any formal church As he characterizes himself he is a disciple of Jesus Christ cleverly disguised as a test pilot Harding was raised as a Presbyterian married a Catholic and didn't realize that the Bible was God's truth until 1987 when he was 40 years old He has immersed himself in the study of God's Word ever since The study of God's Word led him to realize that today's churches are leading their parishioners astray in some important areas One of those areas is the doctrine of the assurance of salvation Accordingly Harding felt a strong compulsion to write this book Though a relatively short book it has taken four years to research and one year to write **A Hindu Gentleman's Reflections Respecting the Works of Swedenborg and the Doctrines of The New Jerusalem Church** Rao Bahadur Dadoba Pandurang,1879
