The Dragon Who Liked To Spit Fire:

The Dragon who Liked to Spit Fire ,1961 Darius the fire spitting dragon learns the value of friendship that overcomes loneliness Reasonable Children Michael S. Pritchard,1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled Building upon his provocative ideas in *On Becoming Responsible* Michael Pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education Bright Horizons: a Collection ,1969 **Something Wyverian This Way Comes** Jeffrey Poole,2023-07-13 Steve and Sarah Miller receive an urgent message from Lentari the land they call their second home the magical place of dragons and wizards the land where they became for a time guardians to the crown prince When both of them have the same unsettling dream a vision that something bad is happening in Lentari they go without a second thought They learn a terrible sickness is consuming the dragon population affecting their powers starving them killing them Steve and Sarah arrive with two goals help the dragons find the source of the ailment and don t tell the king they suspect it s a curse or spell of some kind Pryllan is distressed to learn that her mate Kahvel has fallen under the awful spell Will she be next Will their young dragonlet child succumb to it It s up to Steve and Sarah to travel the land with Pryllan and follow the clues and then to conquer the evil source before the illness decimates all the dragons of Lentari Newly edited and re-released Praise for Jeffrey Poole s epic fantasy novels I loved this book It had so much imagination to it Great for young and old D Estrada There s adventure it is a well told tale 5 stars on Amazon If you love wizards dragons griffins such you have got to read the Bakkian Chronicles 5 stars online review *Normal Instructor* ,1968 **Bulletin of the Center for Children's Books** ,1961 *Environment and Religion in Ancient and Coptic Egypt: Sensing the Cosmos through the Eyes of*
