Joshua Salisbury 1827 1913 was the son of Thomas Salisbury and Sarah Jones of Llanasa Flintshire North Wales He married 1 Martha Davies d 1857 in 1850 at Llanasa They became members of the Church of Jesus Christ of Latter day Saints in 1852 They emigrated to America and while living in Perry Co Ill she died He married 2 Elizabeth Hoskin daughter of James Hoskin and Elizabeth Hancock of Cornwall England in 1858 They crossed the plains and settled at Wellsville located in Cache Valley Utah in 1860 They raised a family of ten children Several generations of descendants are given along with information concerning their family s origins in Wales *The Jockey Club and Its Founders* Robert Black,1891 *Mr Darley's Arabian* Christopher McGrath,2016-06-16 Shortlisted for the William Hill Sports Book of the Year Award In 1704 a bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire But he turned out to be far more than that and although Mr Darley s Arabian never ran a race 95% of all thoroughbreds in the world today are descended from him In this book for the first time award winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse Frankel The story of racing is about man s relationship with horses and Mr Darley s Arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty The great Eclipse for instance was bred by the Duke who foiled Bonnie Prince Charlie s invasion with militia gathered from Wakefield races and went on to lead the Jockey Club But he only became a success once bought and raced by a card sharp and brothel keeper the racecourse has always brought high and low life together McGrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad and from legendary jockeys to not one but two disreputable Princes of Wales and a very unamused Queen Victoria Mr Darley s Arabian shows us the many faces of the sport of kings **The Divided Family in Civil War America** Amy Murrell Taylor,2009-11-04 The Civil War has long been described as a war pitting brother against brother The divided family is an enduring metaphor for the divided nation but it also accurately reflects the reality of America s bloodiest war Connecting the metaphor to the real experiences of families whose households were split by conflicting opinions about the war Amy Murrell Taylor provides a social and cultural history of the divided family in Civil War America In hundreds of border state households brothers and sisters really did fight one another while fathers and sons argued over secession and husbands and wives struggled with opposing national loyalties Even enslaved men and women found themselves divided over how to respond to the war Taylor studies letters diaries newspapers and government

documents to understand how families coped with the unprecedented intrusion of war into their private lives Family divisions inflamed the national crisis while simultaneously embodying it on a small scale something noticed by writers of popular fiction and political rhetoric who drew explicit connections between the ordeal of divided families and that of the nation Weaving together an analysis of this popular imagery with the experiences of real families Taylor demonstrates how the effects of the Civil War went far beyond the battlefield to penetrate many facets of everyday life
