Rediscovering Christian Realism James E. Hassell,2022-10-07 What if there were more helpful ways to deal with the increasing polarization and division within our society What if we could finally overcome the warring between fundamentalists and liberals In Rediscovering Christian Realism James Hassell highlights some time tested and proven methods for Christians both to develop and utilize consecrated common sense Christian realism is not so much of a program as it is both a way of accepting our sinful humanity and highlighting the Spirit led way of Jesus Hassell therefore describes ways to temper our idealism without giving into cynicism outlining what he calls The Balanced Approach The Balanced Approach comes from a synthesis of the best work of past Christian realists such as Reinhold and Richard Niebuhr Emil Brunner Paul Tillich John C Bennet and others Hassell has researched and described their insights especially for contemporary application in the real world events of the twenty first century This book is designed especially for those Christians who may find themselves stuck in how to live out their faith more boldly both in the church fellowship and in the public square

**Disillusioned World** William Benjamin Lippard,1967      **The Spiritual Formation of Leaders** Chuck

Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That's why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God's presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom    **The Rise of the Christian Religion** Charles Frederick Nolloth,1917    *The Message of Jeremiah* Christopher J. H. Wright,2014-02-10 A replacement volume in the Bible Speaks Today Old Testament commentary series this book offers a new exposition on Jeremiah a book of the victory of God's love and grace The prophet's redemptive reconstructive work comprises the book's portrait of the future a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah

**Thinking the Faith** Douglas John Hall,1991-01-01 As the Christian movement nears the end of its second millennium it faces a crisis that could not have been anticipated at the close of the first thousand years or indeed by most of our own great grandparents Since the most conspicuous dimensions of the waning of Christendom have to do with material decline the decline in church membership and active attendance of Sunday services the decline in financial and physical prosperity the decline of influence in high places such analyses as there are usually belabor the obvious something drastic is happening to the churches Throughout most of its long history Christianity has not required of its adherents that they should think the faith The historical accident of its political and cultural establishment 15 centuries ago ensured that a thinking faith would be purely optional for members of the church But thought less faith which has always been a contradiction in terms is today a stage on the road to the extinction not only of Christianity itself but of whatever the architects of our civilization meant by Humanity Only a thinking faith can survive Only a thinking faith can help the world survive From the Preface    *Life After Church* Brian Sanders,2009-09-20 Life without church It's getting easier to imagine And maybe you already left A leaver then Committed to Jesus not an institution Perhaps you've left your church in spirit remaining in the pew Outwardly silent Secretly bored In either case Brian Sanders has a word for you Out of his own experience as a leaver Brian distills the complex problem into two viable options Stay Remain in your church with the blessing of Christ and in the power of his great vision for the church to come Take the path of revolutionary leaving Move purposefully seeking the kingdom of God that is beyond institutions Whether Sunday mornings find you alone in a one bedroom apartment or isolated in a church of thousands Brian reminds you to keep listening for God's call Reform the church that is Christ's Be it from the inside out or the outside in    **Hours at Home** ,1890    **Portraying 'the Jew' in First World War Britain** Alyson Pendlebury,2006 The book focuses on Britain during the First World War and the immediate post war period and examines the use of biblical

imagery with regard to representations of the nation and its perceived enemies The study is constructed around four rhetorical themes crusade conversion crucifixion and apocalypse and traces these through a wide variety of texts including public lectures sermons press articles political speeches and memoirs pre millennialist writings cartoons plays poetry and popular fiction The central argument is that in the context of rhetorically constructed Christian warfare religious language took on political significance and old allegations against Jews began to recirculate The study examines the religious political and sexual fears associated by Christians with Jews during and after the war and discusses the ways in which Anglo Jewish writers including G B Stern Gilbert Frankau and Isaac Rosenberg responded to these developments     The Christian Century ,1942     Truth Seeker ,1893     **The Missionary Review of the World** ,1936     *The Friendship of Christ* Robert Hugh Benson,1912     Christian Holiness Stephen Neill,1960     **Link** Edatata Narayanan,1989-05     *CMS news (Christian Medical Society)*. no. 30-67, 1945-49 ,1945
