Ever get the feeling that things are falling apart You re not alone From bad banks to global warming it can all look hopeless but what if everything could turn out well even better than before What if the only thing holding us back is a lack of imagination and a surplus of old orthodoxies In fascinating and iconoclastic detail on everything from the cash in your pocket to the food on your plate and the shape of our working lives *Cancel the Apocalypse* describes how the relentless race for economic growth is not always one worth winning how excessive materialism has come at a terrible cost to our environment and hasn t even made us any happier in the process Simms believes passionately in the human capacity for change and shows how the good life remains in our grasp While global warming and financial meltdown might feel like modern day horsemen of the apocalypse Simms shows how such end of the world scenarios offer us the chance for a new beginning

[Extreme Money](#) Satyajit Das, 2011 Everything from home mortgages to climate change has become financialized as vast fortunes are generated by individuals who build nothing of lasting value Das shows how extreme money has become ever more unreal how voodoo banking continues to generate massive phony profits even now and how a new generation of Masters of the Universe has come to dominate the world [The Apocalypse Explained According to the Spiritual Sense](#) Emanuel Swedenborg, 1890 **The Apocalypse Explained According to the Spiritual Sense in which the Arcana**
