*A Collection of Fables and Jokes and History* Rosaria M. Wills,2018-11-21 To you that cry for your dead If you love me do not cry If you know the immense secret of the sky where now I live if you could see and hear what I hear and see in these horizons without end and in this light that goes through you you would not cry if you love me Now I am absorbed in the enchantment of God and in his whole beauty Things from the past are so small and worth nothing comparing to this I only have my love for you a tenderness that I have never known before We have loved each other and known each other but at that time it was limited and fast I live in a serene and happy world waiting for you to come within us in your internal battle Think of this as a beautiful house where there is no death and where we can be together in the purest and intense love to the fountain of joy and love that will never end Don t cry if you really love me
