Library Association of Australia

Upng Acceptance List 2015:

State and Society in Papua New Guinea, 2001-2021 R. J. May, 2022-08-09 In a previous volume *State and Society in Papua New Guinea The First Twenty Five Years 2001* reprinted by ANU E Press in 2004 a collection of papers by the author published between 1971 and 2001 was put together to mark Papua New Guinea's first 25 years as an independent state This volume presents a collection of papers written between 2001 and 2021 which update the story of political and social development in Papua New Guinea in the first two decades of the twenty first century The chapters cover a range of topics from an evaluation of proposals for political reform in the early 2000s a review of the discussion of failing states in the island Pacific and the shift to limited preferential voting in 2007 to a detailed account of political developments from the move against Sir Michael Somare in 2011 to the election of Prime Minister Marape and his performance to 2022 There are also chapters on language policy external and internal security religious fundamentalism and national identity and the sustainability of economic growth

The University of Papua New Guinea Vincent Lynn Meek, 1982 A case study of the first 10 years of the University of Papua New Guinea is presented with attention focused on the function structure and character of a new university in a newly independent nation The analysis is based on the three issues of adaptation conflict and change and the case study is designed to test how well past social theories fit the reality of a new university in a Melanesian environment which is characterized by oral transmission of culture an agricultural economy until recently and its history as a colony The establishment of the University difficulties with the Australian Department of Territories early university leaders and various kinds of struggles are described Additional considerations include the contribution of staff to the educational and political life of the colony and new nation problems facing new students social problems arising from bringing together sometimes antagonistic people and the special problems of the small minority of women on campus Finally the complex organization of the university and the external environment are examined including the challenge of reconciling the problems of local relevance with the demands of international standards of scholarship The methodological and theoretical frameworks for the analysis are also discussed SW
