**The Dinner Party** Howard Fast, 2011-12-27 Howard Fast's 1987 New York Times bestseller a tight political drama that remains just as relevant today as when it was first written Fast's 1987 novel *The Dinner Party* confronts issues including American intervention in Latin America and the AIDS epidemic Often compared to a play *The Dinner Party* takes place during a single day culminating in a party hosted by Richard Cromwell a US Senator whose wealthy entrepreneur father in law is building a controversial highway across Central America though powerful government interests want the highway stopped stopped International politics become deeply personal in this novel and unfailingly serve as a commentary on contemporary politics This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate

*Dinosaurs at the Dinner Party* Edward Dolnick, 2025-08-12 From the bestselling author of *The Clockwork Universe* and *The Writing of the Gods* an utterly delightful hugely entertaining Air Mail book about the eccentric Victorians who discovered dinosaur bones leading to a whole new understanding of human history In the early 1800s the natural world was a safe and cozy place or so people believed But then a twelve year old farm boy in Massachusetts stumbled on a row of fossilized three toed footprints the size of dinner plates the first dinosaur tracks ever found Soon in England scientists unearthed enormous bones that reached as high as a man's head Outside of myths and fairy tales no one had even imagined that creatures like three toed giants had once lumbered across the land nor dreamed that they could all have vanished hundreds of millions years ago In *Dinosaurs at the Dinner Party* celebrated storyteller and historian Edward Dolnick leads us through a compelling true adventure as the paleontologists of the early 19th century puzzled their way through the fossil record to create the story of dinosaurs we know today The tale begins with Mary Anning a poor uneducated woman who had a sixth sense for finding fossils buried deep inside cliffs moves to William Buckland an eccentric geologist who filled his home with specimens and famously pieced together a prehistoric scene from the fossil record inside a cave and then on to the controversial Richard Owen the era's best known scientist and the one who coined the term dinosaur Exuberant Kirkus Reviews entertaining erudite and featuring an unconventional cast of characters *Dinosaurs at the Dinner Party* tells the story of how the accidental discovery of prehistoric creatures upended humanity's understanding of the world and its own place within it

**The Dinner Party** Brenda Janowitz, 2016-04-12 In Brenda Janowitz's *The Dinner Party* long forgotten memories come to the surface Old grievances play out And Sylvia Gold has to learn how to let her family go This Passover Seder is not just any Passover Seder Yes there will be a quick service and then a festive meal afterwards but this night is different from all other nights This will be the night the Golds of Greenwich meet the Rothschilds of New York City The Rothschilds are the stuff of legends They control banks own vineyards in Napa diamond mines in Africa and even an organic farm somewhere in the Midwest that produces the most popular Romaine lettuce consumed in this country And now Sylvia Gold's daughter is dating one of them When Sylvia finds out that her youngest of three is going to bring her new boyfriend to the Seder she's

giddy When she finds out that his parents are coming too she darn near faints Making a good impression is all she thinks about Well almost She still has to consider her other daughter Sarah who ll be coming with her less than appropriate beau and his overly dramatic Italian mother But the drama won t stop there Because despite the food and the wine despite the new linen and the fresh flowers the holidays are about family     The Dinner Party ,1979 Book documenting the making of a dinner party an installation which opened at San Francisco Museum of Art 16 March 17 June 1979 and was circulated by Through the Flower     The Dinner Party by Judy Chicago Judy Chicago,Elizabeth A. Rees,2013-08-01 From South Park to Kathy Acker and from Lars Von Trier to Sex and the City women s sexual organs are demonized Rees traces the fascinating evolution of this demonization considering how calling the c word obscene both legitimates and perpetuates the fractured identities of women globally Rees demonstrates how writers artists and filmmakers contend with the dilemma of the vagina s puzzlingly covert visibility In our postmodern porn obsessed culture vaginas appear to be everywhere literally or symbolically but crucially they are as silenced as they are objectified The Vagina A Literary and Cultural History examines the paradox of female genitalia through five fields of artistic expression literature film TV visual and performance art There is a peculiar paradox unlike any other regarding female genitalia Rees focuses on this paradox of what is termed the covert visibility of the vagina and on its monstrous manifestations That is what happens when the female body refuses to be pathologized eroticized or rendered subordinate to the will or intention of another Common and often offensive slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women s lived sexual experiences such that we don t look at the vagina itself slang offers a convenient distraction to something so taboo The Vagina A Literary and Cultural History is an important contribution to the ongoing debate in understanding the feminine identity     *The Dinner Party* ,1979 Twelve colour slides of place settings in Judy Chicago s artwork The Dinner Party     *The Dinner Party* Judy Chicago,1996 Perhaps the best known of Judy Chicago s work The Dinner Party has been shown in numerous countries around the world and viewed by several million people This book includes new material as well as some key sections from the earlier Dinner Party books     **Congressional Record** United States.
