## **The Divide:**

*The Divide* Morgan Richter, 2024-08-20 A failed actress turned grifting psychic searches for her missing doppelgänger and is plunged into a web of murder and corruption among Hollywood A-listers. Weird and wonderfully addictive reads like Agatha Christie on acid or maybe Raymond Chandler adapted by the Coen Brothers. Ernest Cline 1 New York Times best selling author of Ready Player One. When Jenny St John was eighteen she moved to Los Angeles from her rural midwestern hometown and scored the lead role in an independent film called *The Divide*. Under the intimate direction of young auteur Serge Grumet Jenny was on her way to becoming the next indie darling. But then the movie tanked and Jenny never caught a second break. Now two decades later after floundering on the fringes of the entertainment industry she's barely keeping afloat running a low level grift as a psychic life coach. But when news surfaces that Serge has been murdered Jenny's life is turned upside down. Unbeknownst to Jenny Serge's ex wife painter Gena Santos looks alarmingly similar to Jenny. So much so that when Gena goes missing the cops think Jenny is Gena. Jenny finds herself pulled into Gena's world and manages to leverage both her resemblance to Gena and her faux psychic abilities to infiltrate the affluent yet unstable inner circle of friends which include a Korean pop idol turned social media star and an Oscar winning actress turned wellness guru. Soon Jenny's search to find Gena unearths dark secrets about her own past while putting her squarely in the sights of a killer.

*Into the Divide* Sandra Bard, 2025-10-14 The Nullands are an endless stretch of tech dead wilderness teeming with exotic creatures and cut off from the rest of the planet by the glowing barrier of the Divide. Tarn is part of the Death Squad, a criminal given a second chance by agreeing to risk his life over and over again in the Nullands. His latest mission is the kind he usually babysits: an inexperienced lab tech while they hunt down the dangerous creature that escaped a research lab. Calvin is the lab tech given the unenviable task of hunting down the creature that escaped his lab after it killed his friend and five others. An assignment he mostly landed for refusing to sleep with his boss, he knows damn good and well he's being sent to die. What he doesn't expect is Tarn or how far he's willing to go to survive.

**On the Divide** David H. Porter, 2008-12-01 On the Divide analyzes the iconic image that Cather helped develop for herself in contrast to the anonymous face she adopted for promotional activities and the very different private self she shared only with friends and family. Delving into Cather's correspondence and the little known promotional material she produced anonymously, David Porter provides new insight into the extent and direction of her control. He also considers the contrasting influences of Mary Baker Eddy whose biography Cather ghostwrote and Sarah Orne Jewett on the author's emerging artistic persona. The study goes on to explore the many ways in which these OC divides in Cather's life found expression in her writing. Extending from Cather's early stories to her final novel, Porter's book documents the degree to which Cather's understanding of her own different and often conflicting sides and of her penchant for playing diverse roles enabled her as a novelist to create characters so torn, so complex and so profoundly human.
